“Thank You” Notes

Many of our Special Award donors give more than one award, so if your thank you note says, “Thanks for my award,” the donor has no idea what award you are talking about.

To truly show your gratitude for an award, be sure to mention the award you won, the project you won it for, what you plan to do next year, and what you enjoyed most about the project.

This personal touch lets our Special Award donors know how much we appreciate their generosity and their support of the Pratt County Fair.
