Bentley	154.5	57.3	11.8	84.0	11.2
Endurance	151.0	59.2	11.2	81.8	11.9

Agronomic Information:

- * Date Seeded: October 11, 2016
- * Date Harvested: June 26, 2017
- * Seeding Rate: 60 lbs./acre
- * Yields adjusted to 13% moisture and **results are NOT based on replicated data.**
- * Yield results collected by **Southwest Seed Research – Hutchinson, KS**
- * Protein analysis courtesy of **The Scoular Company**
