FOREWORD

This is the 68th year the Pratt County Fair has been held on the present site. We welcome everyone to attend the fair and we express our sincere appreciation to the people of Pratt County and adjoining counties for their interest in helping us promote a better fair each year. The fine cooperation of our business firms is certainly appreciated and a great big thanks goes to all 4-H members and families for making this fair one of the best in the state.

In 1963 the Pratt County Fair Association embarked on a membership campaign, and it has been a success. This plan has helped us develop a better fair. We are grateful for the support of the community and encourage everyone to take advantage of our “Family Membership Plan.”

FAIR MEMBERSHIPS AND TICKETS

The 2016 Sales Representatives for the Fair Membership Campaign are: Katie Buhler, Ciara Hodgkinson, Erin Jackson, Eadie Monaghan, Payje Orler, Camdon Sweet, Cassie Van Slyke.

A fair membership may be purchased for $30 from any 4-H member or by contacting the Extension Office. A fair membership includes two adult tickets and two children’s tickets for the Friday night Demolition Derby and the Saturday night concert. Additional children’s tickets are available at no charge from the Extension Office.

We hope all of you will attend our 2016 fair on July 20, 21, 22 and 23 and help us make this fair a big success.

2. Exhibitors may make only one entry per class unless otherwise indicated.

3. All communications should be addressed to the Pratt County Fair Association, 824 West First Street, Pratt, Kansas 67124. The Association reserves the right to reject any entries offered.

6. No animals may be displayed or offered for sale on the fairgrounds unless they are included in a paid commercial exhibit.

7. Dogs on a leash are a hazard around livestock and are discouraged from being at the fairgrounds. If they are causing a hazard, their owners may be asked to remove them from the area or fairgrounds.

4-H GENERAL RULES

1. General rules of the Fair Association, as shown on preceding pages, shall apply to the 4-H branch as well as the Open Class branch.

2. 4-H members must be enrolled in the project in which they are exhibiting, and the work must have been completed during the current 4-H year.

3. 4-Hers entering departments housed in the Pratt Area 4-H Center may report at the time that department is scheduled for judging, enabling them to listen to the judges' comments if they so desire.

4. 4-H age and number of years enrolled in the project must be on all entry cards. 4-H age will be based on age as of January 1 of the current year.

5. For departments that divide the ages into Junior and Senior divisions, the ages are Junior (13 and under) and Senior (14 and over). For departments that divide ages into Junior, Intermediate and Senior divisions, the ages are Junior (10 and under), Intermediate (11-13), and Senior (14 and over).

RIBBON & PREMIUM POLICY

1. In classes with 3 or more entries, champion ribbons may be awarded based on quality of exhibits.

2. Ribbon policy may be adjusted in individual departments to meet state rules/guidelines when needed. This is to be determined by the superintendent chair.
Open Class Ribbon Policy

1. No Grand Champion or Reserve Grand Champion ribbons will be awarded.
2. Each entry may receive a Blue, Red, White or Green ribbon. Judges will select 1st and 2nd Blues and premium money will be awarded to those placings. Top Blue placings will then be considered in selecting a champion in divisions.
3. Exhibitors earning premium money totaling $5 or more will be mailed a check after the fair. Exhibitors earning premium money totaling less than $5 will not be mailed a check, but may pick up their money at the Extension Office during August. Premiums remaining unclaimed after August 31 will be forfeited.

4-H Ribbon Policy

1. A Blue, Red, White or Green ribbon will be awarded to each exhibit. In divisions where champion ribbons are awarded the judge will consider all top blue ribbons in a class or division to determine which exhibit will be awarded a champion ribbon.
2. In departments where Grand Champion (GC) and Reserve Grand Champion (RGC) ribbons are awarded the judge will select them from the champions in a class or division.
3. All Grand Champion and Reserve Grand Champion winners should report to the Fair Office as soon as possible for a photograph.
4. Premium money will be prorated in all departments on the basis of premium dollars available.
5. Some departments have specific ribbon policies which conform to state and national guidelines. See the rules for those departments for more information (Horse, Dog, Rabbit, Geology).

4. If you wish to make an exhibit and there is no class listed in the Fair Book, inquire at the Extension Office to request a class be listed.

5. All entries must be made in the name of the owner.

6. Late entries are not accepted. Any exhibit not presented promptly by the scheduled entry time will be ruled out and banned from competition.

ENTRY CHECK-OUT

1. **Checkout time for inside exhibits is 6:00 to 7:00 p.m., Saturday, July 23, 2016.**

2. Inside exhibits shall not be removed until after 6:00 p.m. Saturday, July 23, except by permission of the Superintendent. Inside exhibits remaining after 7:00 p.m. are left in the exhibit hall at the owner’s risk.

3. Exhibits not claimed Saturday, July 23, may be picked up at the Extension Office on Tuesday, July 26.

4. No livestock will be removed until 9:00 p.m. Saturday, July 23.

SUPERINTENDENTS & DEPARTMENTS

1. Superintendents will be in full charge of their departments.

2. Department superintendents shall check the entry cards to see that they are completed correctly and attached to the exhibit.

3. Superintendents must be present at check in, during judging, and at check out.

LIVESTOCK

1. All livestock must enter the fairgrounds by the main road off Hwy 281 west of the Commercial Building.

2. The Superintendent reserves the right to require health certificates if animals show symptoms of a disease.

3. If, in the opinion of the Superintendents, an animal is not being properly fed, watered and cared for, the Fair Association reserves the right to remove it from the fairgrounds. No premium money will be paid for these exhibits.

4. For livestock of a wild nature, the Superintendent must decide whether or not it is reasonably safe to allow those animals to enter the show ring or stall. If necessary, the animal(s) will be removed.

5. The same animal may be shown in both the Open Class and 4-H divisions by two different exhibitors.
6. Exhibitors of livestock must keep the part of the building occupied by them neat and clean. It will be the duty of the exhibitor to care for his/her own stall and clean up at the end of the fair. Stalls must be cleaned by 8:00 a.m. each day so the residue may be picked up in the alleyways between 8:00 and 9:00 a.m.

7. All animals must be halter tied and tied close enough to confine the animal to its assigned space. This will prevent animals from eating hay and grain from neighboring animals. Failure to do so will be grounds for barring that exhibit from showing.

8. All livestock exhibits shall be stalled in the barns from 6:00 p.m. to 10:00 p.m. each day so the public will have the best opportunity to view them. Please maintain a walkway at all times.

9. Exhibitors with horses may not ride their horses in or around the camper area or livestock barns.

**WARNING:** Under Kansas law, there is no liability for an injury to or the death of a participant in domestic animal activities resulting from the inherent risks of domestic animal activities, pursuant to Section 1 through 4. You are assuming the risk of participation in this domestic animal activity. K.S.A. 60-4001 through 60-4004.

### 4-H LIVESTOCK RULES

1. 4-Hers shall show and sell their own entries without assistance unless prior approval is granted by the superintendent chair by 9:00 p.m. the day before the respective show. In case of emergency or having two entries in the same Division, 4-H assistance is permitted.

2. Breed of livestock will be determined at pre-fair weigh-in and tagging days.

3. **Market Animals may not show in breeding classes.**

4. 4-H Animals may only be shown in one division.

5. In livestock departments, 4-Hers are limited to THREE ENTRIES IN ANY ONE CLASS and a total of FOUR ANIMALS IN ANY ONE DIVISION. Exceptions to this rule: bucket calves and prospect steers are allowed only one entry; breeding animals have no limit on number of entries. Poultry and rabbits are not considered to be livestock.

6. If a class of animals is too large, it may be sub-divided by weight.

7. All exhibitors must wear the livestock t-shirt while in the show ring.

8. Showmanship will be judged at the time exhibitors show their livestock during their respective species classes. 4-Hers owning two animals in the same class will be judged only on the animal they are showing. Exhibitors will wear numbers and will be identified by number for judging purposes. All 4-Hers with livestock are eligible for their species showmanship.

9. An animal sold at a public auction or privately, whether for immediate or future delivery, cannot, from the time of such sale, be shown by the seller in any subsequent 4-H show. This policy also applies to those animals which have gone through a premium auction, whether or not ownership has changed.
10. Show weights for Market Animals are: Beef-Bucket Calves - 399 pounds and under; Prospect Steers - 400-999 pounds; Market Steers - 1,000 pounds and over; Swine - Market Hog - 220 pounds and over; Sheep - Market Lambs - 85 pounds and over; Market Goats - 50 pounds and over.
11. Beef and Swine check-in ends by 6:00 p.m. on Wednesday.

4-H LIVESTOCK SALE

1. To participate in the livestock sale, a 4-Her must be able to handle his/her own animal in the sale ring.
2. Only market animals owned by 4-Hers and shown in the 4-H division can be sold at the livestock sale.
3. 4-Hers may not sell more than two animals from any one department and a total of three animals at the livestock sale. Prospect steers will not be sold at the livestock sale. Exhibitors showing more than one animal in any one department may deliver the excess animals to purchasers at the floor price if the buyer agrees.
4. The maximum pay weight is subject to the buyer's requirements. The maximum pay weight for market hogs is 300 pounds, for market goats is 125 pounds and for market lambs is 145 pounds.
5. All 4-Hers selling livestock at the livestock sale must provide a current 4-H Market Livestock Drug Form at weigh-in. If there is a need to administer pharmaceuticals during the fair, please contact the superintendent. Failure to comply will prohibit the sale of the animal.
6. Livestock exhibitors must submit a Destination Form to Ron Piester or Matt Novotny no later than 30 minutes after the Beef Showmanship Contest. If NO FORM IS SUBMITTED, THE ANIMAL WILL NOT BE SOLD!
7. The 4-H livestock sale is a terminal sale; once an animal goes through the sale, that terminates the project. That animal cannot be shown at any other shows nor go through another 4-H auction. If an animal is to be taken home, the 4-H ear tag must be removed.
8. Livestock must be cared for by the exhibitor until the animals are removed from the fairgrounds.

DIVISION 3   MARKET WHEAT SHOW

The Pratt County Fair Association, along with the Extension Agriculture Program Development Committee, will be conducting a county-wide Market Wheat Show at the 2016 Pratt County Fair. Producer participation in this event is strictly voluntary. If a producer wishes to enter, just inform the scale operator at the participating elevator. Samples will be collected right off the truck as it comes across the scales. Participating grain elevators are: ADM Grain—Cullison; Skyland Grain, LLC; Farmers Co-op, Isabel; the Kanza Co-op; and The Scoular Company. Branches of these elevators will be included in the collection process.

The sample will be tagged with the producer’s name, address, and variety. All producers that are entered will be sent a postage paid envelope with a Crop Data Card following harvest. Complete the agronomic information section of the card and drop it in the mail. This must be completed prior to July 8 to be entered in the Market Wheat Show.
All the wheat entries will be judged by the Kansas Grain Inspection Service prior to the County Fair and displayed at the Fair. Area agri-businesses and elevators are the sponsors for this year’s show.

1. Crop data cards are to be mailed to the Extension Office prior to July 8. No cards or entries will be accepted after this date due to separate judging procedures for this contest.

2. All wheat exhibits must be produced in Pratt County during the present year.

3. All exhibits must be COMBINE RUNS ONLY; samples shall consist of approximately 5 lbs. of wheat collected at the elevators listed above. If a producer has grain stored on the farm and wishes to enter, the County Agent must be notified for sample collection.

4. Any entry which has been hand-picked or screened will be disqualified.

5. Limitation of entries: Each farmer is limited to one (1) entry for each variety of wheat grown on the exhibitor’s farm. A producer is someone who is recognized by the FSA (Farm Service Agency) as a producer within the county.

6. Premiums will be awarded for 1st through 3rd places for each class. In case of a tie, premiums will be added together and divided by the number of tying entrants.

7. The County Champion Wheat Producer’s name will be listed on a plaque presented at the County Fair and displayed at the Extension Office throughout the year.

DEPARTMENT 32 4-H AND OPEN CLASS SCIENCE PROJECTS

DIVISION 1 ENTOMOLOGY

Superintendents: Crystal Newby, Devin Newby, Derrick Newby

General Guidelines:

1. All entries should be submitted in an 18 x 24 x 3.5 inch wooden display box with a clear plastic top (such as plexiglass). Boxes can be handmade or purchased as long as they are of the correct size.

2. Orders & Family names should follow the taxonomy either
   A. As printed in “Insects in Kansas” book OR
   B. As printed on the “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows www.bugguide.net.

3. Each exhibitor is required to identify each box with two identification labels bearing the Exhibitor’s name, county or district, the collection class 4-Her is enrolled in and statement of taxonomy used:
   A. “Insects in Kansas” book OR
   B. “Insects in Kansas: 2016 Revised Taxonomy”, which follows www.bugguide.net.
   One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so the box can be displayed lengthwise.
4. The number of orders, specimens (and families where required) must be included on both of the exhibitor’s box identification labels. Only adult specimens can be used in collection boxes; however one female and one male of a species correctly identified can be displayed.

5. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Arrangements that run lengthwise of the box are frequently downgraded in judging. Specimens are to be arranged by Order in the box, then Family where required. The sequence arrangement of the Orders in the box will be left up to the member. It is suggested to put the Lepidoptera and Coleoptera in the center of the collection (for Intermediate and Advanced Classes to put these two orders in a box). Then work the other orders around them.

6. For each collection class, two labels will be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date/locality. Full county name and state abbreviation on the second label are encouraged for 2016 and will be required by 2019. Collector’s name on the date/locality label is optional.

7. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Other specimens from the United States may be included as long as they are properly labeled and placed in a separate section of the box labeled “Out of State Insects”. These specimens will not be included in the count for judging/scoring. Emphasis in judging will be placed on the overall variety of insects represented in the collection, accuracy of identification, skill and technique acquired in mounting of specimens, and overall arrangement and appearance of the collection.

8. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.

9. Specimens of soft bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.

Farmer's Spraying Service, Inc. will award $10 and $5 respectively to the 4-H GC and RGC winners.
Beginning Entomology 1, Collection - Display in one standard box a minimum of 50, maximum of 125 species representing at least 7 orders. Follow the general guidelines listed for Collections. Follow the general guidelines listed for Collections. Family identification is required for all insects belonging to the six basic orders are outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper list what you did to improve your collection during the current year. Examples: what insects did you add or replace; what orders and/or families you added; what Leadership you provided in this project; and/or what insects you have studied. Attach paper to the back of one of the display boxes. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible for 4-H membership.

DIVISION 2   ENTOMOLOGY COLLECTION NOTEBOOK

General Guidelines:

1. Individual entries are to be placed for display in a 3 ring notebook for competition.

2. During the transition, Orders & Family names should follow the taxonomy either
   A. as printed in “Insects in Kansas” book OR
   B. as printed in “Insects in Kansas Book: 2016 Revised Taxonomy, which follows
      www.bugguide.net
   Project members are encouraged to progress towards option b by 2019 or as
   revised “Insects in Kansas” book is available.

3. 4-Hers who have been previously enrolled in or are currently enrolled in the other
    phases of the Entomology project need to start with the Beginning Phase of Ento-

   B. “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows
      www.bugguide.net
      The number of orders, specimens and families (required in Intermediate and Ad-
      vanced classes) must also be included on the Title Page.

5. Specimen pages should be grouped according to order and should include one
   page per species. If more than one insect is in the photo, an arrow to indicate
   identified insect should be used.

6. Date, common name, full county name and state abbreviation should be included
   for each species. Collector’s name on the specimen page is optional.

7. Specimen pages should have two different views of the insect if possible. If pic-
   tures are taken on different dates/localities, include information for both.

8. A statement describing the habitat where found/hose plant may be included and
   is encouraged and will be worth a bonus 10 points total, not per page. For Inter-
   mediate and Advanced notebooks, this is strongly encouraged.

9. A divider page is to be placed in front of ach order of insects with the order name
    printed on the tab for the page as well on the front of the divider page.
10. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider.

11. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page in the front of the notebook.

12. A special project must be completed each year and included in the notebook. See project guideline materials for specifications.
