MORE MONEY FOR YOUR CLUB!

Fair Membership sales have started. When you sell your memberships from May 22—July 1, your club will get $3.00 for every membership you sell. After July 1, the amount your club gets drops down to $1.50. You should be working to get your memberships sold early. This year, individual 4-H’ers who sell 10 memberships during the contest will receive a $20 cash prize. Also, if a 4-H member wishes to sell livestock, it is required that they sell 3 Fair Memberships.

From May 22nd to July 1st, members are allowed to sell only to those people on your list. Even if you don`t know some of those people, give them a call, or better yet go see them! Ask them to become apart of one of the best county fairs in Kansas! If you know people who are not on the master list, you can sell them a membership any time.

From July 2nd to July 16th, members may sell to anyone that has not already purchased a membership, regardless of whose list they are on. Members and their clubs will still get credit and money for memberships sold after July 2nd. Fair memberships will continue to be sold until July 19th at 5:00 pm. If all club members work hard at selling memberships, your club will have enough money to do fun things next year and you wouldn`t have to do any other fundraisers.

Public Fashion Revue forms can be found online at www.pratt.k-state.edu. These forms should be filled out and returned with a photo to the office by July 9th. Remember to fill out your cost per wear for Fashion Revue Judging.

Members: Don`t forget that the Fair Grounds Work Day is July 17th!

2. Clothing Construction project members will also need to make two online entries for each one of the clothing items that they sew. They will need to make an entry in Department 26 for the construction entry and one in Department 28 for the Fashion Revue.

Dear 4-H Families,

Summer is here and packed with activities, not to mention the Fair is only weeks away. We hope that you will all take the time to read through the newsletter; it too is packed with activities that you will want to read all about.

This year in particular, it will be crucial that each of you checks and double-checks to make sure all deadlines and entry guidelines are being met. We will do our best to communicate all changes through multiple channels, but please pay close attention to our emails, social media posts, and Pratt County Fair website to ensure you have the most up-to-date information.

If you have questions about any of these items or about any of your 4-H projects that you might be working on, please don’t hesitate to give us a call at the Extension Office. We will be glad to assist you.
