April 28th. This includes
having pictures taken and
turned into the office!

2022 Room Monitor Assignments

Each Pratt Country 4-H Club will be in charge of monitoring a room at Club Day. The club will be responsible for having older 4-Hers or parents outside the room at all times. Please see that your club monitors your assigned room. The room assignments are as follows-

Preston	Project Talks	TBA
Glendale Reapers	Extemporaneous Speaking & Parliamentary Procedure	TBA
Country Trailblazers	Jr. Demonstrations	TBA
4-H Ambassadors	Music Appreciation & Sr. Demonstrations	TBA
Southwest	Meeting Evaluations	TBA
Pratt Pioneers	Meeting Evaluations	TBA

REMINDER

You must be enrolled in the project to display in the 4-H division at the Pratt County Fair. If you are wanting to enter ceramics, you must be enrolled in the ceramics discipline of Visual Arts. If you are wanting to enter a LEGO display, you need to be enrolled in the crafts discipline of Visual Arts.

If you have questions about this, please contact the Extension Office (672-6121) and we will be happy to assist you.

Why you should attend area 4-H events

With registration for area 4-H events coming up like Discovery Days and 4-H camp, we encourage you to broaden your horizons and enroll. Attending any of the 4-H events is a fun experience, even if you might be shy. These camps have so much to offer and are a great way to make new friends.

Discovery Days will be in-person, June 7-9 in Manhattan on campus at Kansas State University. It is available to 4-Hers 13 and older. Look for registration information to be out soon.

4-H camp is located at Rock Springs 4-H center and is available to 4-Hers who are 9-12. It is a great opportunity to get out there and see what else you can do and learn through 4-H, in a really fun camp. There are so many fun activities at camp from rifles to arts and crafts to fishing to robotics and more. To sign up, visit <https://rockspringsranch.org/>

Also, be looking in this newsletter for Day Camp opportunities!

Happy
St. Patrick's
Day

K-State Research and Extension is an equal opportunity provider and employer. Kansas State University is committed to making its services, programs and activities accessible to all participants. If you wish to participate and have special requirements due to a physical, vision or hearing disability, or a dietary restriction please contact Jodi Drake, 620-672-6121, jdrake@ksu.edu.

Pratt County 4-H Focus

March 2023

Dear 4-H'ers and Families,

I can't tell you how excited I am to have an in-person Club Day again! We are excited to see so many 4-H'ers signed up in several areas. We know that all of you have been working hard to prepare your entries. If you're a new 4-H'er, and maybe don't have an entry, we would encourage you to come to Skyline School on Saturday, March 5th, to watch your fellow 4-H'ers take part in their events. It will be a great learning experience for everyone. We want to thank Skyline School for allowing us to use their facility. Please help us show our appreciation to them by being respectful of their property and helping us to leave it the way we found it.

As always, this newsletter is full of important information and activities for you, so please take time to read it carefully.
