

## Pratt County 4-H Club Day

### Music Appreciation Entries

4-Hers must be enrolled in the Performing Arts project to enter this category at Club Day.

Objective: 4-Hers will improve their musical performance skills, share their talent with others and learn to perform as part of a musical group.

#### General Rules for All Music Categories

1. All 4-Hers must provide an ORIGINAL of the printed music for the judge. If the 4-Her uses printed music, it must be an ORIGINAL as well. It is unlawful to copy copyrighted music.
2. Use of copied music, whether printed or recorded, will result in lowering the placing by one ribbon.
3. Accompaniment is optional.
4. Recorded music for accompaniment is allowed in all music divisions. If an accompaniment CD is used and there is no copy of the actual music, bring the original CD in its original jacket for the judge.
5. Accompanists may be 4-Hers or non-4-Hers.
6. Selections need not be memorized.
7. Before playing or singing the musical number, the 4-H member will present a short talk which compliments the music and enhances the knowledge of the 4-Her and the audience about the number to be presented and about music.
