On behalf of the Pratt County Fair Association, we welcome you to the 77th year that the Pratt County Fair has been held on its present site. This book contains information including schedules, rules and regulations, and other important resources.

We express our sincere appreciation to all the volunteers, businesses, and many others that help make the Pratt County Fair one of the best in the state promoting the numerous projects and exhibits of the community kids and kids at heart.

FAIR MEMBERSHIPS AND TICKETS
In 1963, the Pratt County Fair Association embarked on a membership campaign to maintain and enhance the Pratt County Fair. A Pratt County Fair Association membership may be purchased for $50 from any 4-H/FFA member or by contacting the Extension Office. The memberships include eight tickets to the entertainment and may be used Friday and/or Saturday, and one entry in the beef and pork drawing. An additional option is to purchase a fair membership for $25. This does not include the tickets for entertainment; the purchaser is still eligible for the beef and pork drawing.

❖ NO FIREARMS ARE ALLOWED ON THE FAIRGROUNDS.
❖ THE PRATT COUNTY FAIR IS AN ALCOHOL-FREE EVENT.
❖ ANIMAL WASTE WILL ONLY BE DUMPED IN THE ROLL-AWAY DUMPSTER BY THE HORSE ARENA.
❖ REGULAR TRASH WILL ONLY BE DUMPED IN AREAS DESIGNATED BY THE PRATT COUNTY FAIR BOARD

3. If you wish to make an exhibit and there is no class listed in the Fair Book, inquire at the Extension Office to request a class be listed.

4. All Open Class exhibits must be checked in at the registration table by the scheduled time — see the Schedule for the times. Late entries will not be accepted for check in.

4-H/FFA and OPEN CLASS CHECK OUT

1. **Check out time for inside exhibits is 6–7 p.m., Saturday, July 20.**

2. Inside exhibits shall not be removed until after 6 p.m., Saturday, July 20, except by permission of the Superintendent. Inside exhibits remaining after 7 p.m. are left in the exhibit hall at the owner’s risk.

3. No livestock will be removed until 9 p.m. Saturday, July 20.

4. Exhibits may also be picked up at the Extension Office on Tuesday, July 23.
RIBBON and PREMIUM POLICY

1. In classes with three (3) or more entries, champion ribbons may be awarded based on quality of exhibits.
2. Ribbon policy may be adjusted in individual departments to meet state rules/guidelines when needed. This is to be determined by the superintendent chair.

4-H Ribbon Policy

1. A Blue, Red, White, or Green ribbon will be awarded to each exhibit. In divisions where champion ribbons are awarded the judge will consider all top blue ribbons in a class or division to determine which exhibit will be awarded a champion ribbon.
2. In departments where Grand Champion (GC) and Reserve Grand Champion (RGC) ribbons are awarded, the judge will select them from the champions in a class or division.
3. All Grand Champion and Reserve Grand Champion winners should report to the Fair Office as soon as possible for a photograph.
4. Premium money will be prorated in all departments based on premium dollars available.
5. Some departments have specific ribbon policies which conform to state and national guidelines. See the rules for those departments for more information (Horse, Dog, Rabbit, Geology).

Open Class Ribbon Policy

1. Each entry may receive a Blue, Red, White, or Green ribbon. Judges will select 1st and 2nd Blues and premium money will be awarded to those placings. Top Blue placings will then be considered in selecting a champion in divisions.
2. No Grand Champion or Reserve Grand Champion ribbons will be awarded.
3. Exhibitors earning premium money totaling $5 or more will be mailed a check after the fair. Exhibitors earning premium money totaling less than $5 will not be mailed a check but may pick up their money at the Extension Office during August. Premiums remaining unclaimed after August 31 will be forfeited.

4-H/FFA and OPEN CLASS GENERAL RULES

1. Any person may compete in any Open Class department. Only Pratt County 4-H/FFA members may exhibit in the 4-H/FFA departments. 4-H/FFA members may enter in Open Class, but they may not enter the same animal or article under both branches.
2. 4-H/FFA members must be enrolled in the project in which they are exhibiting. The work must have been completed since the previous Pratt County Fair, during the current 4-H year.
3. Exhibitors may make only one entry per class unless otherwise indicated.
4. If you wish to make an exhibit and there is no class listed in the Fair Book, inquire at the Extension Office to request a class be listed.
5. All entries must be made in the name of the owner.
6. 4-H/FFA members may report at the time that department is scheduled for judging, enabling them to listen to the judges’ comments.
7. 4-H/FFA age and number of years enrolled in the project must be on all entry cards. 4-H/FFA age will be based on age as of January 1 of the current year.
8. For departments that divide the ages into Junior and Senior divisions, the ages are Junior (7-13) and Senior (14 and over). For departments that divide ages into Junior, Intermediate and Senior divisions, the ages are Junior (7-10), Intermediate (11-13), and Senior (14 and over).
9. Many classes may be exhibited at the State Fair. Check the Kansas State Fair book for eligible classes and age requirements.
10. All possible care will be taken of the exhibits, but the Fair Association will in no case be responsible for loss, damage, or for injuries to persons or livestock.
11. In departments where both 4-H and Open Class exhibits are entered, the 4-H exhibits will be judged FIRST and judging of the Open Class exhibits will follow, except in Bucket Calves.
12. The Fair Association reserves the right to reject or remove from the grounds any exhibit, animal, concession, or show that may be falsely entered or which in any manner may be deemed objectionable.
13. No animals may be displayed or offered for sale on the fairgrounds unless they are included in a paid commercial exhibit.
14. Dogs on a leash are a hazard around livestock and are discouraged from being at the fairgrounds. If they are causing a hazard, their owners may be asked to remove them from the area or fairgrounds.
15. WASTE WILL BE DUMPED ONLY IN AREAS DESIGNATED BY THE PRATT COUNTY FAIR BOARD.
16. The Pratt County Extension Council 4-H Program Development Committee is the governing body that sets the policies of our 4-H program in Pratt County. According to the 4-H PDC, the 4-H policy is: The deadline is the deadline. This means that if you miss the deadline, you will not be allowed to participate. There will be no exceptions to this rule.
17. All communications should be addressed to the Pratt County Fair Association, PO BOX 259, Pratt, Kansas 67124.

4-H/FFA and OPEN CLASS LIVESTOCK RULES
1. All livestock must enter the fairgrounds by the main road off Hwy 281 west of the Commercial Building.
2. Youth shall show and sell their own entries without assistance unless prior approval is granted by the superintendent chair before the respective show. In case of emergency or having two entries in the same Division, 4-H assistance is permitted.
3. Breed of livestock will be determined at the pre-fair weigh-in and tagging days.
4. Market Animals may not show in breeding classes.
5. 4-H/FFA Animals may only be shown in one division.
6. In livestock departments, youth are limited to THREE ENTRIES IN ANY ONE CLASS and a total of FOUR ANIMALS IN ANY ONE DIVISION. Exceptions to this rule: bucket calves and prospect steers are allowed only one entry. Breeding animals have no limit on the number of entries. Poultry and rabbits are not considered to be livestock.

7. If a class of animals is too large, it may be subdivided by weight.

8. Show weights for Market Animals are:
   Beef       Bucket Calves — 399 pounds and under
   Prospect Steers or Heifers — 400—999 pounds
   Market Steers — 900-999 pounds (at the discretion of the superintendent and the owner)
   1,000 pounds and over
   Goats     Market Goats — 50 pounds and over
   Sheep     Market Lambs — 85 pounds and over
   Swine     Market Hog — 220 pounds and over

   If an animal does not make show weight, it is still eligible to show at the discretion of the superintendent and may sell at the discretion of the floor buyer.

9. All animals, except for Poultry, will have showmanship classes. Members must own and exhibit the animal shown. Three showmanship classes will be provided. Junior (7–10), Intermediate (11–13) and Senior (14–18). Age is determined by January 1 of the current 4-H year.

10. 4-Hers owning two animals in the same class will be judged for showmanship only on the animal they are showing. Exhibitors will wear numbers and will be identified by number for judging purposes. All 4-Hers with livestock are eligible for their species showmanship.

11. The Superintendent reserves the right to require health certificates if animals show symptoms of a disease.

12. If, in the opinion of the Superintendents, an animal is not being properly fed, watered, and cared for, the Fair Association reserves the right to remove it from the fairgrounds. No premium money will be paid for these exhibits.

13. For livestock of a wild nature, the Superintendent must decide whether or not it is reasonably safe to allow those animals to enter the show ring or stall. If necessary, the animal(s) will be removed.

14. The same animal may be shown in both the Open Class and 4-H/FFA divisions by two different exhibitors.

15. All exhibitors must wear the livestock T-shirt while in the show ring. For exceptions to this, please read the clothing requirements under the Horse and Round Robin Departments.

16. Exhibitors of livestock must keep the part of the building occupied by them neat and clean. It will be the duty of the exhibitor to care for his/her own stall and clean up at the end of the fair. Stalls must be cleaned by 8:00 a.m. each day so the residue may be picked up in the alleyways between 8:00 and 9:00 a.m.
17. All animals must be halter tied and tied close enough to confine the animal to its assigned space. This will prevent animals from eating hay and grain from neighboring animals. Failure to do so will be grounds for barring that exhibit from showing.

18. All livestock exhibits shall be stalled in the barns from 6 p.m. to 9 p.m. each day so the public will have the best opportunity to view them. Please maintain a walkway at all times.

19. Exhibitors with horses may not ride their horses in or around the camper area or livestock barns.

**WARNING:** Under Kansas law, there is no liability for an injury to or the death of a participant in domestic animal activities resulting from the inherent risks of domestic animal activities, pursuant to Section 1 through 4. You are assuming the risk of participation in this domestic animal activity. K.S.A. 60-4001 through 60-4004.

---

**4-H/FFA LIVESTOCK SALE**

1. To participate in the livestock sale, a 4-H/FFA member must handle his/her own animal in the sale ring, unless the 4-H/FFA member experiences a medical emergency or injury.

2. Only market animals owned by 4-H/FFA members and shown in the 4-H/FFA division can be sold at the livestock sale.

3. All Youth selling livestock at the livestock sale **MUST** sell a minimum of FIVE (5) fair memberships and attend a minimum of THREE (3) regularly scheduled 4-H/FFA meetings.

4. If Youth wishes to sell beef at the livestock sale, they are required to have YQCA certification by **April 15, 2024**.

5. Youth may not sell more than two animals from any one department and a total of three animals at the livestock sale. Prospect steers will not be sold at the livestock sale. Exhibitors showing more than one animal in any one department may deliver the excess animals to purchasers at the floor price if the buyer agrees.

6. The maximum pay weight is subject to the buyer's requirements. The maximum pay weight for market hogs is at buyer's discretion, for market goats is 125 pounds and for market lambs is 145 pounds. Minimum Sale weight for a market hogs, goats, and lambs is at the discretion of the floor buyer.

7. All youth selling livestock at the livestock sale must provide a current 4-H/FFA Market Livestock Drug Form at weigh-in. If there is a need to administer pharmaceuticals during the fair, please contact the superintendent. Failure to comply will prohibit the sale of the animal.

8. Livestock exhibitors must submit a Destination Form to Ron Piester or Austin Piester no later than 30 minutes after the Beef Showmanship Contest. **IF NO FORM IS SUBMITTED, THE ANIMAL WILL NOT BE SOLD!**
9. The 4-H/FFA livestock sale is a terminal sale; once an animal goes through the sale, this terminates the project. That animal cannot be shown at the Kansas State Fair or Kansas Junior Livestock Show, nor can it go through another 4-H auction. If an animal is to be taken home, the 4-H ear tag must be removed.

10. An animal sold at a public auction or privately, whether for immediate or future delivery, cannot, from the time of such sale, be shown by the seller in any subsequent 4-H show. This policy also applies to those animals which have gone through a premium auction, whether or not ownership has changed.

11. Livestock must be cared for by the exhibitor until the animals are removed from the fairgrounds.

KANSAS STATE FAIR ENTRIES/RULES/GUIDELINES

1. Enrolled in a local 4-H program. Members must be 9 years of age before January 1 of the current year and must not have passed their 19th birthday before January 1 of the current year.

2. Exhibitors are expected to be enrolled in the project area in which they are entering at the Kansas State Fair and to have exhibited in that division at their local fair to bring to the State Fair.

3. Only purple or blue award exhibits selected in a previously designated competition may be exhibited in the 4-H/FFA division. Exhibitor’s 4-H age must be 9 years old. All contestants must have qualified through county, district or other competitive events or be approved by the local K-State Research and Extension Office.

4. Please read the General State Fair rules in the Kansas State Fair Exhibitor Handbook and the 4-H Rules.

CAMPERS
Chair: Dustin and Sara Eubank
1. The camping area is open to 4-H families only. 4-H families planning to bring a camper must register with the Extension Office by Friday, July 5.
2. The camper fee is $175 if registered by the deadline. After July 5, the fee will double. If the fee is not paid by July 17, a $50 late fee will be assessed. Make checks payable to the Pratt County Fair Association.
3. Campers are not to be brought to the fairgrounds until Sunday, July 14. Any campers parked before July 14 may be subject to being moved.
4. Camper owners will be issued proof of registration at the time fees are paid. This sign must be displayed in the camper where it may be easily seen.
5. Camper occupants must take their trash to the dumpster behind the main building. The city will not pick up your trash unless it is placed in the dumpster.
6. Campers are to be removed from the premises by Friday after the fair.

COMMERCIAL EXHIBITS
Chair: Pam Lucas, Cliff Kenworthy
1. Each concession or commercial exhibit must be confined to the space assigned.
2. The Fair Association reserves the right to place any type of meter on any or all lines where in its judgment it is to its advantage to do so.
3. Set up time for food trucks is on Tuesday, July 16, from 6–8 p.m.
4. Non-food, commercial exhibitors can set up on Wednesday, July 17, from 2–5 p.m.

SUPERINTENDENTS and DEPARTMENTS
1. Superintendents will be in full charge of their departments.
2. Department superintendents shall check the entry cards to see that they are completed correctly and attached to the exhibit.
3. Superintendents must be present at check in, during judging, and at check out.
4. Superintendent Chairmen/Chairwomen are listed in boldface type.
DEPARTMENT 1 — FAIR THEME CONTEST
All contests related to the fair theme will take place in Open Class and are for participation only; they will not receive a ribbon. Please complete an entry card with the appropriate information. Entries in these classes should highlight the 2024 theme, “Heroes Unite.”

0100. Foods — Cupcakes, Hero Themed
0101. Photography — Your personal Hero
0102. Arts and Crafts — Shields
0103. Antiques — Comic Books
0104. Quilt Block Contest — Quilters are needed to help create a Heroes quilt. Contact the Extension Office if interested where quilt block supplies can be purchased.
0105. Horticulture — Airplane Plant

DEPARTMENT 2 — FAIR PRESIDENT’S COOKIE JAR
4-H/FFA and Open Class participants are encouraged to participate. The cookie jar must contain a minimum of five different recipes, maximum of 10. The container must be full. All cookies must be individually wrapped. One cookie of each recipe must be brought in a separate container for judging purposes. Container can be anything (not larger than a gallon jar). All entries will be returned except for the winning entry. Judging: 50% on cookies, 50% on the container.

DEPARTMENT 3 — PRATT COUNTY WHEAT AWARDS
The Pratt County Fair Association, along with the Extension Agriculture Program Development Committee, will be conducting a county-wide Market Wheat Show at the 2024 Pratt County Fair.

DIVISION 1 — MARKET WHEAT SHOW
Producer participation in this event is strictly voluntary. If a producer wishes to enter, just inform the scale operator at the participating elevator. Samples will be collected right off the truck as it comes across the scales.

Participating grain elevators are: Scoular Grain—Cullison; Skyland Grain, LLC; Farmers Cooperative Equity, Isabel; the Kanza Co-op; and the Scoular Company. Branches of these elevators will be included in the collection process.

The sample will be tagged with the producer’s name, address, and variety. All producers that are entered will be sent a postage paid envelope with a Crop Data Card following harvest. Complete the agronomic information section of the card and drop it in the mail. This must be completed prior to July 5 to be entered in the Market Wheat Show.
All the wheat entries will be judged by the Kansas Grain Inspection Service prior to the County Fair and displayed at the Fair. Area agri-businesses and elevators are the sponsors for this year’s show.

1. Crop data cards are to be mailed to the Extension Office prior to July 7. No cards or entries will be accepted after this date due to separate judging procedures for this contest.

2. All wheat exhibits must be produced in Pratt County during the present year.

3. All exhibits must be COMBINE RUNS ONLY; samples shall consist of approximately 5 lbs. of wheat collected at the elevators listed above. If a producer has grain stored on the farm and wishes to enter, the County Agent must be notified for sample collection.

4. Any entry which has been hand-picked or screened will be disqualified. (Hand-picked entries may be entered in 4-H/Open Class Horticulture.)

5. Limitation of entries: Each farmer is limited to one (1) entry for each variety of wheat grown on the exhibitor’s farm. A producer is someone who is recognized by the FSA (Farm Service Agency) as a producer within the county.

6. Premiums will be awarded for 1st through 3rd places for each class. In case of a tie, premiums will be added together and divided by the number of tying entrants.

7. The County Champion Wheat Producer’s name will be listed on a plaque presented at the County Fair and displayed at the Extension Office throughout the year.

8. Samples will be judged by the following criteria:

   Ribbons may be awarded in the following sub-classes:

   **0300. Market Wheat Show**

   A. KSU HRW varieties
   B. Other public HRW varieties (TX, OK, CO, etc.)
   C. HRW blends
   D. All Westbred HRW varieties
   E. All Hard White varieties
   F. All other varieties

   **DIVISION 2 — SPECIAL ELEVATOR AWARD**

   This special award is a traveling plaque to be displayed by the winning elevator and will list the producer’s name, variety, year, and name of the elevator submitting the sample. Sponsored by the Pratt County Fair Association, this award will be presented during the Pratt County Fair.
**Purpose:** To increase public and farmer awareness of the excellent quality of winter wheat produced in Pratt County, to create a spirit of competition among elevator managers, and to reward and recognize our grain elevators for their fine services provided to their farm customers.

1. Elevator sites are encouraged to collect samples of high-quality combine-run wheat.
2. Market wheat samples collected by Pratt County elevators will be entered in the producer’s name at the County Fair.
3. Special Elevator Division samples must be clearly identified by writing the elevator company name and site on the tag included in the sample bag.
4. The manager of the elevator collecting the highest number of placing samples will be recognized with this special award.

**DEPARTMENT 4 — 4-H/FFA CLUB BOOTHs and BANNERS**

Superintendents: Kay Sewell

1. Pre-entries must be made at the Pratt County Extension Office by 5:00 p.m., Friday, July 5. **NO LATE ENTRIES WILL BE ACCEPTED.**
2. Each booth or banner should illustrate or demonstrate a phase of 4-H club work or promote 4-H.
3. Booths and banners will be judged 30% on attention gained, 30% on interest holding, 30% on 4-H application, and 10% on lettering, color combination, and construction. Each booth or banner must include a 4-H symbol.
4. 4-H exhibitors (individual or group) may not use copyrighted materials and must originate their own work. Copyrighted and/or trademarked materials utilized in banners, displays, demonstrations, posters or other activities for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed.
5. The back and sides of booth will be provided.
6. Banner dimensions are to be no less than 12 and no more than 16 square feet, with a minimum of 3 feet on one side. Banners must be able to be displayed on a rod.
7. A Champion ribbon will be awarded in each class and GC and RGC ribbons will be awarded in the department.

DEPARTMENT 5 — 4-H/FFA EDUCATIONAL EXHIBITS
Superintendent: Brenda Piester

1. Pre-entries must be made at the Pratt County Extension Office by 5:00 p.m., Friday, July 5. **NO LATE ENTRIES WILL BE ACCEPTED.**
2. Educational Exhibits showcase details about the knowledge learned in the project. Supporting educational materials are encouraged. Value is placed on demonstrating how skills have increased while completing the project.
3. Each display board, notebook, and poster will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content.
4. 4-H exhibitors may not use copyrighted materials. Copyrighted and/or trademarked materials utilized in educational exhibits or other activities for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed.
5. Some departments have educational displays, notebooks, and/or posters that will be judged within that department. See that department for more details.
6. When necessary, the Superintendent will divide entries into two age groups: Junior (7–13) and Senior (14 and up).
7. A Champion ribbon will be awarded in each class and GC and RGC ribbons will be awarded in each division.
8. **Classes marked with an * — which receive a blue or purple ribbon — may advance to the Kansas State Fair.** Check the Kansas State Fair Exhibitor Handbook for more details as some requirements are different than the Pratt County Fair.

DIVISION 1 — EDUCATIONAL DISPLAYS
Superintendent: Brenda Piester

1. Project displays must show what work has been done in the 4-H project this year and may include charts, notebooks, and/or items constructed, rebuilt, or studied.
2. Displays are not to exceed a standard 3' x 4' tri-fold display board. Small items may be exhibited with the display at the Pratt County Fair but may not be allowed at the Kansas State Fair.
3. Displays will be judged 50% on application to the 4-H project work, 25% on neatness and attractiveness and 25% on clarity of explanation.

DEPARTMENT 6 — 4-H/FFA COMMUNICATIONS: DEMONSTRATIONS AND ILLUSTRATED TALKS
Superintendent: Sarah Blasi

1. Pre-entries must be made at the Pratt County Extension Office by 5:00 p.m., Friday, July 5. **NO LATE ENTRIES WILL BE ACCEPTED.** 4-H/FFA exhibitors must contact the Extension Office by Friday, July 5, to schedule a judging time.

2. A demonstration shows a step-by-step procedure, and explains why each step is essential to develop a particular skill or task. An Illustrated Talk tells how to do something and incorporates the use of visual aids (posters, supplies, equipment, etc.) that illustrate the topic being discussed. An informative talk using illustrations is NOT a demonstration or illustrated talk.

3. Demonstrations and Illustrated Talks may be given by a team or an individual.

4. The presentation should be of sufficient length to cover the topic adequately, three minutes minimum and 20 minutes maximum.

5. 4-H members are allowed to use technology when presenting a demonstration or illustrated talk. A laser pointer may be used.

6. Shooting sports related entries must inform the State Office of entry to meet safety requirements. They should follow Kansas State Law regarding firearms listed in the General Rules section of this Fair Book.

7. If you bring small animals into Centennial Hall for a demonstration, you must remove the animal when you leave the building. Animals are not allowed to be left unattended. Per Kansas State Fair rules: No dogs, cats, or other pets, except for Service Animals shall be permitted on the fairgrounds proper (inside the fence).

8. GC and RGC ribbons will be awarded in the department.

See Department 20 and the *Kansas State Fair Handbook* for Kansas State Fair Eligibility and Rules.

When completing entry cards, class numbers must contain a 4-digit number and a letter as follows:
A. Junior 7–13  B. Senior 14 and older
0600. Animal Science — Beef, Dairy, Goats, Horse, Sheep, Swine
0601. Animal Science — Dog, Pets, Poultry, Rabbits
0602. Civic Engagement (Citizenship) — Leadership

0619. STEM: Small Engines
0620. STEM: Woodworking
0621. Veterinary Science

0622. Beef Promotion — This class is neither a demonstration nor an illustrated talk, but rather a speech that promotes Beef. The class is open to 4-H members age 13 and older. Speeches will be 5–8 minutes in length. Contestants will choose the topic of their essay from the following: Animal welfare, Economics, Environment, Nutrition, Production Technology, or Safety.

DEPARTMENT 7 — 4-H/FFA and OPEN CLASS HORSE
Superintendents: Shannon Bergner, Dr. Brian Spitzer, Loretta Spitzer
Christine Brenner, Josie Conkle, Chris Drake, Samantha Dutton,
Hannah Lonker, Haley Spitzer, Samantha Spitzer

1. Pre-entries must be made at the Pratt County Extension Office by 5:00 p.m., Friday, July 5. NO LATE ENTRIES WILL BE ACCEPTED. NO ENTRIES WILL BE ACCEPTED ON THE DAY OF THE SHOW(S).
2. Check in time is 6:00 p.m. and events will begin at 7:00 p.m.
3. Western dress code: Long pants and a long-sleeved shirt or blouse and western hat or protective head gear must be worn. Pants, shirts, and blouses may vary in color. Extremes of style and/or color, while permissible, are not representative of western attire and do not allow the exhibitor to be presented in a professional manner. In no instance shall “fancy attire” count over a nice, neat workman-like appearance. No ball caps.
4. English dress code: Riding breeches, jodhpurs, or skirt; hunt boots or jodhpur boots; shirt or rat catcher shirt; tie, stock choker or turtleneck; riding coat, hunt cap or protective headgear for in-hand classes.
5. 2024 fair T-shirts may be worn in timed events.
6. No rider shall be placed on a horse that she/he cannot control safely. If a horse is uncontrollable and unsafe for the rider, that horse will be disqualified for all classes. This decision will be made by the department superintendents and show judge(s).
7. Participants must be able to ride unassisted except for the Lead Line class.
8. No 4-Her, parent, visitor, or other person shall abuse or neglect a horse during the Pratt County Fair. Abuse or neglect shall be determined by the fair superintendents. This rule will be enforced by the fair superintendents. Disciplinary action may include disqualification in all classes, and/or removal of the horse from the Pratt County Fairgrounds.
9. Only horses ID’d by June 1 of current year will be allowed to show in 4-H classes.
10. Stud horses will be allowed only if they are weanling colts.
11. Horses may be exercised during the fair under the supervision of a superintendent or parent from 7:30 to 11:00 a.m. and from 4:00 to 5:00 p.m., except on Friday during the beef judging.
12. Patterns will be posted on show day, as they are provided by the judge(s).
13. Additional rules may be posted on show day, per judge’s decision.

**Horse Ribbon Policy**

1. A Top Blue ribbon may be awarded in each class.
2. A GC and RGC ribbon may be awarded in the 4-H Mare and 4-H Gelding Halter classes.
3. A GC and RGC ribbon may be awarded in each age division of 4-H Showmanship.
4. A Champion ribbon may be awarded in each age division of 4-H Performance categories: 1. Timed Events, 2 Performance Events (including Western, English, and Walk-Trot events), and 3. Ranch Horse (including Ranch Pattern, Ranch Trail, Team Roping, Breakaway Roping). Showmanship scores will be used as the tie breaker in all 3 categories.
5. Ribbons may be picked up at the end of the horse show daily.

When completing entry cards, class numbers must contain a 4-digit number and a letter as follows:

**A. 4-H member age 7–10**
- 0700. 4-H Weanling Mare
- 0701. 4-H 2 YO or 3 YO Mare
- 0702. 4-H Aged Mare
- 0703. 4-H Weanling Stud
- 0704. 4-H 2 YO or 3 YO Gelding
- 0705. 4-H Aged Gelding

- 0710. Open Class 2 YO or 3 YO Gelding
- 0711. Open Class Aged Gelding

**DIVISION 1 — 4-H/FFA and OPEN CLASS HORSE HALTER**

1. Halter classes may be combined or divided at the discretion of the judge.
2. A single participant may show only one horse per halter class.
3. No person age 18 or older can show a 4-H ID horse in a Halter class.
DIVISION 2 — 4-H/FFA and OPEN CLASS HORSE PERFORMANCE
(AGE 18 and YOUNGER)

1. A maximum of two horses per rider may be used for performance events.
2. Open Class events are for non-4-H members only unless prior superintendent approval is obtained.
3. Participants entered in walk-trot events may not lope or canter the same horse in any other event.
4. Riders entering Walk-Trot Western Pleasure Class must be 18 years old or younger. There will be no age divisions in the Walk-Trot classes.
5. English Performance classes may be combined at the discretion of the judge.
6. All horse/rider teams for the 4-H Breakaway roping and 4-H Team roping must attend at least one roping practice to demonstrate rope safety with their horse to the County Wide Leaders. Eligibility to compete in 4-H Breakaway roping and 4-H Team roping are subject to approval of the County Wide Leaders. Participants ages 11–13 may rope with an adult only. Participants ages 14 and older may rope with another 4-Her or adult.

3. **All Beef classes including Bucket Calf will be no fit.** “No Fit” at the Pratt County Fair is defined as using no adhesive, glue, paint, or powder products.
4. All bovine animals, 4-H/FFA and Open Class, will go across the scales.
5. A designated area will be provided for beef animals to be tied out from 10:00 p.m. to 8:00 a.m. Bedding must be provided by the exhibitor. All liability issues become the sole responsibility of the exhibitor. After the fair, this area must be cleaned up by those exhibitors who use it.
6. **Stalls will be assigned by the superintendent chair.**

DIVISION 1 — 4-H/FFA and OPEN CLASS MARKET BEEF
Superintendents: Jon Novotny, Bob Kenworthy, Ryan Breiner

1. Tag number must be recorded on entry card.
2. A 4-Her may show only a bucket calf **OR** a market steer/heifer in the same year.
3. Animals must have been owned and in the possession of the exhibitor by early weigh-in.
4. Market Beef must be dehorned before exhibiting at the Fair. A Superintendent will check all animals before they can be exhibited.
5. Basic trimming must be done prior to the Fair.
6. At the discretion of the superintendents, the animals in each market class may be divided by weight to make two or more uniform groups.
7. **Showmanship:** 4-H/FFA members must own and exhibit the animal shown. Three showmanship classes will be provided: Junior, Intermediate and Senior.
8. A Champion ribbon may be awarded in each class and GC and RGC will be awarded in the 4-H Divisions.
9. Market Heifers may not be shown as Breeding Beef.

DEPARTMENT 15 — 4-H/FFA and OPEN CLASS DOG

Contact Pratt County Extension Office for information on classes and where the competition is being held.

DEPARTMENT 16 — 4-H/FFA and OPEN CLASS PETS

Superintendent: Dr. LuAnn Bergner

1. Pre-entries must be made at the Pratt County Extension Office by 5:00 p.m., Friday, July 5. **NO LATE ENTRIES WILL BE ACCEPTED.**
2. Pets must be at least six months old.
3. Exhibitors may enter only one class and only one pet per class.
4. Exhibitors must provide a letter size sheet of paper with a short (one paragraph) story about their pet along with a picture of themselves with their pet. This paper must be ATTACHED to the cage.
5. Pets must be housed in comfortable sized cages in which they are visible to spectators and must remain in the cages while they are on display. All cages must have floors.
6. Exhibitors will remove the pet from the cage, unless it is a fish or a bird, for judging and must be able to handle it.
7. Judging will be based on the health of the pet, cleanliness of the cage, knowledge of pet’s care and ability to handle the pet.
8. Exhibitors will be responsible for food, water, and clean-up at all times.
9. Cats and ferrets must have all shots and a rabies shot certificate.
10. A GC and RGC will be awarded for each age division in 4-H pets. Ribbons will be awarded in Open Classes.

**When completing entry cards, class numbers must contain 4-digit number and a letter as follows:**

A. 4-H member age 7–13
B. 4-H member age 14 and older
C. Open Class
DEPARTMENT 17 — 4-H/FFA and OPEN VETERINARY SCIENCE
Superintendent:

Below are Rules/Qualifications for Kansas State Fair

The purpose of the 4-H Veterinary Science project is to provide a way for young people who care for animals and may want to follow a career in veterinary medicine to explore the topic. In this project, members will learn about animal health, behavior, and visit with veterinarians. 4-H member in the Veterinary Science project may develop an exhibit to demonstrate the knowledge and skills learned about a common health problem in animals, a veterinary science principle or public health/zoonotic diseases.

1. Veterinary Science exhibit may consist of a poster, notebook, or project display. The exhibit may represent material from any of the Veterinary Science projects including entry level exhibits from Unit 1.

2. If photographs are to be part of the exhibit, remember that they will be viewed by the public. Make sure that the photographs are in good taste and will not be offensive to anyone. Graphic photographs of excessive bleeding, trauma or painful procedures are not appropriate. For exhibits related to veterinary surgical procedures, aseptic techniques need to be shown, for example, use of drapes, use of sterile procedures, wearing of gloves and other appropriate veterinary medical practices.

3. First-Aid Kits: Because of public safety concerns and risk of theft of first-aid kit contents (veterinary drugs/equipment) with perceived potential for drug abuse, animal first aid kits containing any drugs or medications will be immediately disqualified and not displayed. First Aid kits wishing to include medication information should instead utilize written descriptions, photographs, drawings, computer generated printouts or empty packaging of pharmaceuticals.

4. Veterinary Science Posters — This exhibit presents the viewer with a design that is simple and direct, unlike a display that usually presents more information. A poster should not exceed 22” x 30” and may be either vertical or horizontal.

5. Veterinary Science Displays — A display may include but is not limited to a 3-dimensional exhibit, a scale model, the actual product (for example: skeleton; teeth; samples of leather, fur, or dried skin damaged by disease or parasites) or a notebook. A display is not a poster. A display may be mounted on poster board not to exceed 22” x 28” or on 1/4” plywood or equivalent that does not exceed 24” high or 32” wide or in a three-ring binder or another bound notebook format.

6. Veterinary Science Notebooks: Individual entries are to be placed for display in a three-ring notebook for competition. Notebooks may not be larger than 8 1/2’ x 11”.

7. Neither the Kansas State Fair nor the department of 4-H Youth Development, KSRE are liable for the loss or damage of any personal property included as part of your poster, display, or notebook.
8. Name, county/district, age, and year in project should be on the front of the poster, display, or notebook.
9. Appropriate topics include: maintaining health, specific disease information, photographic display of normal and abnormal characteristics, animal health or safety, public health or safety, proper animal management to ensure food safety and quality, efficient and safe livestock working facilities, a topic of the exhibitor's choosing related to veterinary medicine or veterinary science.
10. Because these are science displays, all references and information must be properly cited. Proper sources include but are not limited to: Professional journals and publications, professional AVMA accredited websites, interviews with veterinarians and excerpts from Veterinary Educational Literature. Plagiarism will result in a disqualification. Please study your topic and present the information to your audience in your own words.

**Kansas State Fair Eligibility:** 4-H members wishing to exhibit at the state level must be enrolled in the Veterinary Science project and receive a qualifying ribbon rating at their local county fair.

**DEPARTMENT 19 — 4-H/FFA ROUND ROBIN CONTEST**

Superintendents: Julia Hemphill, Heidi McComb, Brandon Riffey

1. The Round Robin Committee and all contestants will meet at the show arena at 4:00 p.m. on FRIDAY, July 19, to finalize livestock, equipment, and contestant lists. THIS MEETING IS MANDATORY FOR ALL CONTESTANTS! Any contestant who does not attend will be disqualified. The contest will begin at 4:30 p.m.
2. If an eligible participant from swine, sheep, goats, beef, and horse choose not to participate in the Round Robin Showmanship Contest, THERE WILL BE NO ALTERNATE PARTICIPANTS.
3. If participants win more than one species there will be NO ALTERNATE PARTICIPANTS.
4. Round Robin Participants will be asked to commit themselves to the contest immediately after the conclusion of the Showmanship Class in which they placed Grand Champion or Reserve Grand Champion in swine, sheep, goats, beef, and horse.

5. Participants may bring their own show equipment to use during the contest. If a participant does not have the necessary livestock equipment, it will be provided for each contestant.

6. Required Attire: Participants are to dress in clean proper show attire. No T-Shirts or hats may be worn during the contest.

7. Animals in all species will be assigned a number. Each participant will draw a number before the contest. Participants will be assigned the animal that matched their draw. In the Horse, there will be no more than 4 horses for the contest (this is for safety reasons). Participants may show their own animals or any that belongs to their family according to the draw. The judge will be notified of participants showing their own animals and it will be the judges’ decision if the participant shall switch animals. Animals may be switched up amongst participants during the show at the judges’ request.

8. Participants will be divided up into heats if all cannot fit in the show ring at one time.

9. The judge has the decision to bring in alternate livestock during the contest at any time for safety reasons.

10. Contest order of species: Horse, Sheep, Goats, Swine, Beef. Participants from each age division will compete together. Starting with Seniors followed by Intermediate for each species then rotating through all species. If there are 2 judges, 2 species at a time could be showing at the same time.

11. Tie Breakers: The judge will select the tie breaker species before the contest starts and participants will be notified before the contest.

12. Round Robin superintendents are responsible for getting all the livestock equipment before the contest.

13. Round Robin Superintendents will select the animals for the contest including alternates. Selected livestock assistants will assist in getting those animals to and from the show ring.

14. Once participants’ numbers are on and livestock numbers drawn, all spectators must leave the show area. Communication between participants and spectators is not allowed and could result in disqualification of participants.

15. Participants are not allowed to have any electronic devices during the contest.

16. You are encouraged to meet with other 4-Hers or Leaders before the show to find out information on, breed, age, etc. that the judge might expect you to know. Judge may ask you questions.

17. Any recommendations or suggestions will only be taken after the contest is over.
18. The judge’s decision is final. The judge will consider the following during the contest: control of the animal by the exhibitor, poise and collectiveness, skill of showing, ability to stand, move or show the animal as requested by the judge, knowledge level of exhibitor (based primarily on the species in which the exhibitor qualified.)

19. Age Divisions: Intermediate (11–13), Senior (14 and older)

1900. Round Robin Contest

DEPARTMENT 20 — 4-H/FFA COMMUNICATIONS and EXPRESSIVE ARTS

*See Department #6 Educational Exhibits for list of Demonstrations and Illustrated Talks to enter for Pratt County Fair.

Watch for new opportunities to participate during the 2025 Pratt County 4-H Club Days.

DEPARTMENT 21 — 4-H and OPEN CLASS PHOTOGRAPHY

Superintendents: Martha Wade, Heather Van Slyke, Marilyn Giles
Brian Atteberry, Krystal Atteberry, Wiley Atteberry, Cora Bowman, Meg Bowman, Taylor Crump, Suzanne Moore, Haley Spitzer

4-H exhibitors must contact the Extension Office by Friday, July 5, to schedule a judging time. They need to sign up according to the number of years in the project, not by age. A portfolio class counts as an entry. A 4-H member may only enter one portfolio each year. Information sheets for 4-H portfolio classes are available at the Extension Office and at www.kansas4-h.org/projects/communication-and-expressive-arts/photography.html

See downloads. This link also contains other helpful information to the right side of the page. See “Preparing Your Photo for the Fair.”

1. Exhibitors may enter a maximum of 10 entries. After judging, photos may be subdivided into categories before being awarded Champion, and in only 4-H RGC and GC Ribbons.

2. Photos must be no larger than 8” x 10” and no smaller than 7” x 9” after trimming.

3. All photos must be the work of the exhibitor during the past year. Copyright infringement will not be tolerated.

4. Photos must be mounted across the narrow edge (11 inch) of an 11” x 12.5” white or off-white mounting board. The board is always oriented narrow side up. The top edge of the print must be 1 inch below the top of the mounting board. The sides of the print must be equal distance from the two sides of the mounting board. Photo boards are available for purchase at the Extension Office. Information sheets with photo mounting information are also available.
5. PHOTOS MOUNTED INCORRECTLY WILL BE AWARDED A RIBBON ONE PLACING LOWER THAN THE PLACING DETERMINED BY THE JUDGE.

6. Remove white border from enlargements before mounting.
7. A permanent mount must be made using photographic adhesive.
8. No lettering will be permitted on the mount or on the print. No underlays or borders permitted. No photo shall have a digital date.
9. Write the name of the exhibitor and date on the back of the mounting board. Include location where photo was taken on the entry card, if taken outside of Pratt County.
10. The black and white classes are for black and white prints only. Monochromatic prints, including sepia prints, are considered color photos and must be entered in the appropriate color photo class.
11. Open Class photos will be divided by age of exhibitor.
12. 4-H photos will be divided by the number of years the exhibitor has been enrolled in the photography project.
13. A blue, red, or white ribbon may be awarded to each entry.
14. In Open Class, a first blue may be awarded in each class, and a Champion may be selected from the top blues in each class in all age groups. Ribbons will be awarded at the discretion of the judge.
15. No photos taken on a railroad right of way will be accepted. It is trespassing to be on a railroad right of way. Therefore, the photo is taken illegally. Photographic subject matter is expected to follow 4-H standards. For a sense of prohibited subject matter, review the Kansas 4-H member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowable in a 4-H photograph.
16. Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, one click filter effects, red eye removal, cropping, dodging, and burning should be entered in the standard color or black and white classes. HDR photos are to be entered in the standard photo class.

Kansas State Fair Eligibility and Quota

1. Exhibitors, first through seventh year in the photography project, may enter only one photo print per exhibitor.
2. Exhibitors in their eighth (plus) year in the photography project may enter two prints if the prints are in different classes.
3. A member may enter only one portfolio each year. Portfolio must have qualified at the County Level beginning with 4-H year 2023–2024.

DIVISION 1 — 4-H Photography

2100. Color Photos
   A. Taken by a 4-H member with 3 years or less in the project
   B. Taken by a 4-H member with 4–7 years in the project
   C. Taken by a 4-H member with 8 or more years in the project

2101. Black and White Photos
   A. Taken by a 4-H member with 3 years or less in the project
   B. Taken by a 4-H member with 4–7 years in the project
   C. Taken by a 4-H member with 8 or more years in the project
DIVISION 2 — 4-H Other Photography

2102. Photo Story (3-6 Pictures) This class is not a state fair class. Use 1 or 2 mounting boards. You may include explanations.
   A. Taken by a 4-H Member with 3 years or less in the project
   B. Taken by a 4-H Member with 4–7 years in the project
   C. Taken by a 4-H Member with 8 or more years in the project

2103. Growth Portfolio
   1. Members are eligible for this class beginning with the third year of enrollment in the 4-H photography project.
   2. Exhibit will consist of one photo for each year of enrollment. Each photo must have been created in a different year and must be labeled with the year taken/project enrollment year. A maximum of 5 photos may be included if the member has 5 or more years of enrollment. Photos are not required to be in consecutive order. For example, a nine-year-old with three years enrollment in photography is eligible to enter a growth portfolio. The portfolio in this example should have one photo from the seven-year-olds year, one photo from the eight-year-olds year, and one photo from the nine-year-olds year. The growth portfolio class may start at any time in the members photography career. For an older member, the growth portfolio would represent any five years in the project, for example, years 1,3,5,7 and 9 for a member having project enrollment totaling 9 years.
   3. Photos must be 8" x 10" and may be color or black and white and must be unmounted.
   4. An information sheet must accompany each photo giving the brand and model of camera used to create the photo. The settings for focal length, aperture, mode, and shutter speed must also be listed.
   5. The skill set used to create the photo must be given and explained. Main goals for each year should be listed.
   6. Beginning with photo 2, the member’s description of GROWTH in project skill must be included on the information sheet.
   7. The exhibit will consist of photos arranged in chronological order of enrollment, an information sheet on each photo, and all information listed in #6, #7. A portfolio book will be required.

2104. Career Portfolio
   1. Members must have been enrolled in Photography for 5 (five) or more years OR member must be age 15–19 and been enrolled in photography for at least two (2) years.
   2. Exhibit will consist of ten (10) 8 x 10 photos showing skill development in one of the following photography areas: Portraiture, Special Effects (not done with computer), Landscape, Photojournalism, Black and White, Nature/Wildlife, or Graphic Design (computer skills with photos). Photos may have been created over multiple project years.
   3. Photos may be color, except if Black and White option is chosen.
   4. An information sheet must accompany each photo giving the brand and model of camera used to create the photo. The settings for focal length, aperture, mode, and shutter speed must also be listed.
   5. A one-page summary should accompany the portfolio listing the goal for pursuing this area of photography and what skills were learned while doing so. Mentors should be acknowledged. Career exploration can also be described.
   6. Exhibit will be presented in a notebook designed for portfolio review with pages for required information from #4 and #5.
2105. Photography Display — My favorite pictures

1. This is a display only class.
2. Eligible members must be in their third year of enrollment in the photography project or more years and their 4-H age must be 14 years old or older.
3. Members may enter this class a maximum of two times in different years in their Pratt County 4-H career. They should use different favorite photos if they enter this class a second time.
4. Requirements are:
   A. Choose a total of four (4) of your favorite photos from any of the years enrolled in photography. If used previously in competitive exhibits, remove all data slips and stickers. If the photo is an unmounted print, mount it using 4-H requirements and mat board.
   B. Develop a short biography piece.
      1. Tell how/when an interest in photography began.
      2. Explain why each of the four photos is a favorite.
      3. Share the skills learned because of photography. Think beyond the camera skills and include leadership, community service, etc.
      4. Tell of any mentors/leaders worked with.
      5. Share workshops or camps pertaining to photography you attended.
      6. Explain (if relevant) any plans to use photography skills beyond 4-H/High School.
      7. Include a small (2” x 3”) photo of yourself at the start of the biography.
      8. Print the biography document and mount it on a standard mat board.
      9. Place name on the back of each of the 5 mat boards in the upper right-hand corner. (There is a similar state fair class that requires members to be in the project for 10 years).

2106. Conservation. 4-H members

1. Photos will be judged 50% on message and 50% on quality of photo. The photos will be displayed at the annual Conservation District banquet. No age division in this class. Limit of two entries in this class. The theme should be about water or soil conservation showing a problem or a solution. Include a short description on a notecard that explains the problem or solution.

DEPARTMENT 22 — 4-H/FFA and OPEN CLASS VISUAL ARTS

Superintendents 4-H: Lisa Washington, Heather Bowman, Kristi Gatz
Superintendents Open Class: Carrie Vahsholtz, Lisa Befort, Jessica Hanvey, Judy Lee

1. **4-H/FFA exhibitors** must contact the Extension Office by Friday, July 5, to schedule a judging time.
2. All exhibits which need to be hung (including all fine arts) **must** have a wire or saw tooth hanger attached (no string or tape).
3. A Champion ribbon will be awarded in each class.
4. No plants or plant materials needing watering can be entered as an art display or item.
5. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member’s own ideas can result in an original design, but simply changing the color, pattern, and/or size of a pattern does not make the design original. If you create a replica of what you see somewhere else (i.e., Pinterest), it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit.

**Kansas State Fair Quota:** Each county may submit one entry from each of the five categories (Fine Arts, Clay and Ceramics, Leather, and Jewelry, Three-Dimensional, and General Crafts) for a total of five entries per county. If a county doesn’t have an entry for one of the classes, they may submit a second entry in one of the other classes to meet the quota of five entries per county. A member may display only one visual arts item. Kits including LEGO® entries and preformed mold will not be eligible for a purple ribbon or Kansas State Fair.

When completing entry cards, class numbers must contain 4-digit number and a letter as follows:

A. 4-H/FFA — Level 1 (ages 7–8)

Open Class: Sue Buhler, Jane Biles, Paula Blasi, Georgie Fowler, Linda Haworth, Shirley Lawton, Rosalie Rose

1. 4-H exhibitors must contact the Extension Office by Friday, July 5, to schedule a judging time.
2. All exhibits must be the product of 2023-2024 work. They may have been worn but must be laundered or cleaned.
3. 4-H garments modeled in the Fashion Revue must be judged for construction.
4. Educational Exhibit may be a poster, notebook, or display. Posters must be no larger than 22” x 28”. Maximum size for a display is a 2’ x 3’ tri-fold display board.
5. A Champion ribbon will be awarded in each level of each division. GC and RGC ribbons will be awarded in the 4-H department.
6. 4-H quilts and quilted items will be judged in the 4-H Fiber Arts division.
7. Kansas State Fair Quota – 4-H members may enter a maximum of two exhibits in this division. If two exhibits are entered, they must be in two different classes: constructed piece(s), educational exhibit, or recycled clothing project. The exhibitor is encouraged to attach an index card or photo, no larger than 4” x 6” with the entry form to give the judge any information which the exhibitor thinks would be helpful for the judge to know and could include care information. If your exhibit qualifies for the Wool Award, please indicate you would like your exhibit considered and share wool percentage on the card.

DEPARTMENT 26 — 4-H/FFA and OPEN CLASS FOODS AND NUTRITION
Superintendents: 4-H: Karen Kumberg, Heather Van Slyke, Jan Parsons, Karen Pinkall, Sharon Will
Open Class: Sara Eubank

1. 4-H/FFA exhibitors must contact the Extension Office by Friday, July 5, to schedule a judging time.
2. Complete recipes with ingredients and instructions must be attached with the entry, or the placing will be lowered one ribbon when judged.
3. Every entry must have the 4-H food label placed on the food container or outside cover.
4. For food safety purposes, any entries with frostings and fillings must calculate the amount of sugar in the frosting/filling recipe only. Calculation must be attached to entry, or the placing will be lowered one ribbon when judged. Frosting and fillings need to contain more than 65% sugar for safety. Examples on how to calculate this percentage are included in the publication located at: https://bookstore.ksre.ksu.edu/pubs/MF3544.pdf
5. For food safety purposes, any food containing raw eggs or unbaked exhibits with raw flour will be disqualified and not judged. “Canned” breads or cakes in a jar will also not be accepted.
6. No Open Class product will be accepted that requires refrigeration.
7. Alcohol (ex. wine, beer, or hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol will be disqualified and not be judged.
8. All baked goods must be left whole and uncut. Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit 3 cookies, 3 muffins, 3 bread sticks, 1 loaf bread, etc.
9. Under baked entries will be lowered one or more ribbon placings.
10. All un-frosted cakes should be exhibited in an upright position with crust showing. The exception is for cakes made with special designs such as Bundt cakes. They should have top crust side down.

11. Any baked product that can be removed from the pan should be displayed in a disposable container and wrapped in clear plastic or placed in a plastic bag.

12. If baked goods are not presented according to the rules, exhibit will be dropped one ribbon placing.

13. A top blue ribbon may be awarded in each class. A Champion ribbon will be awarded in each 4-H/FFA age level and in 4-H/FFA food preservation.

Kansas State Fair Eligibility and Quota: Non-Perishable, Educational Exhibit or Food Gift Package. 4-H members wishing to exhibit must be enrolled in the Foods and Nutrition project and receive a qualifying ribbon rating at their local county fair. A member may make only one entry in a non-perishable class and one entry in an educational class in this division.

2655. Level 4
A. Exhibit  C. Display
B. Poster  D. Recipe box or notebook
E. Meal plan - include menu, grocery list, preparation schedule, etc.

DIVISION 6 — 4-H/FFA and OPEN CLASS FOOD GIFT PACKAGE AND/OR SPECIALTY FOOD PRODUCT

1. Food Gift Package and/or Specialty Food Product—No alcoholic beverages will be accepted.

2. A food gift package must contain at least 3 different food items (for human consumption), prepared by the exhibitor, in a suitable container no larger than 18” x 18” x 18”.

3. Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum, or purchased items may also be included in the gift basket.

4. On a separate sheet of paper answer these questions: a) what is the intended use; b) what food safety precautions were taken during and after preparation.
5. This class will be entered as a non-perishable food product, not as an educational exhibit and is open to 4-H members age 9 and older and to open class exhibitors. The entry will remain on display for the duration of the fair.

2656. 4-H/FFA member 7–8
2657. 4-H/FFA member age 9–11
2658. 4-H/FFA member age 12–14
2659. 4-H member age 15 and older
2660. Open class exhibitor

DIVISION 7 — 4-H/FFA and OPEN CLASS TABLE SETTING
Superintendents: Melanie Black, Janet Black, Sarah Blasi

1. Each participant will get half of an 8’ table to use for their display.
2. Participants may set up from 12:00 to 12:30 p.m. ONLY the participants are allowed in the room during the setup time.
3. A Champion ribbon will be awarded in each age level and a Grand Champion and Reserve Grand Champion will be awarded in the division.

4-H Table Setting

2661. 4-H/FFA Table Setting Level 1 (age 7–8) — Individual place setting/menu planning. On one 8 1/2” x 11” page explain the meal theme/occasion and list menu to be served. Arrange one complete individual place setting which may include linen, dishes, silver, and centerpiece for the main course only as indicated on the menu.

2662. 4-H/FFA Table Setting Level 2 (age 9–11) — Individual place setting/menu planning. On one 8 1/2” x 11” page explain the meal theme/occasion and list menu to be served. Arrange one complete individual place setting which may include linen, dishes, silver, and centerpiece for the entire menu. Site references for menu items.

2663. 4-H/FFA Table Setting Level 3 (age 12–14) — Individual place setting/menu planning. On one 8 1/2” x 11” page explain the meal theme/occasion, list the menu to be served and tell how the menu meets the current MyPlate recommendations. Arrange one complete individual place setting which may include linen, dishes, silver, and centerpiece for the entire menu. Site references for menu items.

2664. 4-H/FFA Table Setting Level 4 (age 15 and older) — Individual place setting/menu planning. On one 8 1/2” x 11” page explain the meal theme/occasion, list the menu to be served and tell how the menu meets the current MyPlate recommendations. Include meal preparation order, timeline and serving steps.

Open Class Table Setting

2665. Open Class table setting
DEPARTMENT 27 — 4-H/FFA FOOD AUCTION
1. Any Pratt County 4-H/FFA member enrolled in the Foods project may enter the Food Auction. An exhibitor must enter at least one item in their level of Foods Judging to participate in the Food Auction. The Food Auction is a separate class, so the same item cannot be entered in both the Foods Judging and the Food Auction. An exhibitor may use the same recipe, but must enter separate items in separate classes.
2. A baked project that can be removed from the pan should be placed on a disposable plate/tray and covered with clear plastic. If the exhibitor uses non-disposable packaging, he/she is responsible to pick up their item prior to 5:00 p.m. on the day of judging.
3. No ribbons will be given. The winning entrant in each class must provide a freshly baked item to be auctioned off on Thursday evening, July 18.
4. Food items auctioned off must include a tag with 4-Her’s name and address. Recipe must be included with the exhibit.

2700. 4-H/FFA Food Auction
   A. Frosted cake                B. Fruit pie                   C. Specialty yeast bread

DEPARTMENT 28 — 4-H/FFA and OPEN CLASS INTERIOR DESIGN and ARCHITECTURE
Superintendent:
1. A summary including plans, explanation of how the items were made or refinished, and how it fits into the color and design of the room. Summary could also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Summary should be in a plastic protective sleeve and attached to exhibit.
2. A Champion ribbon may be awarded in the department.
3. Kansas State Fair Quota – A member may make only one exhibit in this division.
   When completing entry cards, 4-H/FFA class numbers must contain a 4-digit number and a letter as follows:
   A. 4-H/FFA member age 7-10
   B. 4-H/FFA member age 11-13
   C. 4-H/FFA member age 14 and older

2800. Single exhibit — An article (furniture, fixtures, interior or exterior, etc.) made or refinished by the 4H/FFA member for the home. Must include attached summary.
2801. Design Board — Boards must be on foam core or a standard tri-fold display. Include: color scheme, wall treatment, floor treatment, samples, etc. and/or floor plan for a room. Must include attached summary.
2802. Notebook — Notebooks may include floor plans, swatches, colors, stories, photographs, and project records which detail what was accomplished this year with a given indication of long-term plans. Notebooks should also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Additional summary is not required for Notebook exhibits.
Each exhibitor may enter an unlimited number of rockets per class made during the current year. Rockets must have been flown. Rocket must be able to stand by itself or be supported on a wooden base not to exceed 3/4” thick x 8” square for small and medium-sized rockets. Wooden or metal support rods must not extend past the tip of the nose cone. Support rods must remain in the upright position. Do not angle. Do not submit on a launch pad. Parachute must be properly packed. Do not include engines.

2. Report that accompanies the rocket must be limited to the 4-H Rocket Exhibit Information Form for the current year glued to the outside of a 10” x 13” envelope. The form is available at the Extension Office or [http://rocketry.engtech4ks.com/](http://rocketry.engtech4ks.com/)

3. Place a copy of rocket plans inside the envelope. One or more photographs of the rocket at the launch site are required. Photograph shooting the rocket at the moment of ignition is preferred. Photographs should be mounted or printed on one sided 8 1/2” x 11” page.

4. Class 2900. Beginning Rocketry is for 1st year exhibitors using rocket kits with plastic cones and fins. They may use prepainted, plastic rockets. These will not be eligible for the Kansas State Fair.

5. Plastic fins are not to be used in any other class.

6. For original design rockets, describe in summary how the model was tested for stability prior to flying.

7. Champion ribbons may be awarded in each class. 4-H GC and RGC ribbons will be awarded.

If exhibiting at the Kansas State Fair. Read over rules and eligibility in the [2024 Kansas State Fair Handbook](http://rocketry.engtech4ks.com/).

**DIVISION 1 — 4-H/FFA ROCKETRY**

- 2900. Beginning rocketry (1st year only)
- 2901. Junior rocketry, rocket made from kit
- 2902. Junior rocketry, rocket designed by exhibitor, not merely modified kit
- 2903. Intermediate rocketry, rocket made from kit
- 2904. Intermediate rocketry, rocket designed by exhibitor, not merely modified kit
- 2905. Senior rocketry, rocket made from kit
- 2906. Senior rocketry, rocket designed by exhibitor, not merely modified kit
- 2907. High powered rocket

**DIVISION 2 — OPEN CLASS**

- 2908. Beginning rocketry (1st year only)
- 2909. Junior rocketry, rocket made from kit
- 2910. Junior rocketry, rocket designed by exhibitor, not merely modified kit
- 2911. Intermediate rocketry, rocket made from kit
- 2912. Intermediate rocketry, rocket designed by exhibitor, not merely modified kit
- 2913. Senior rocketry, rocket made from kit
- 2914. Senior rocketry, rocket designed by exhibitor, not merely modified kit
- 2915. High powered rocket
DIVISION 3 — 4-H/FFA and OPEN CLASS TEAM ROCKET

Rocket designed by 2 or more exhibitors, not merely modification of existing rocket. Include original plans. This class is designed to encourage teamwork among individuals and clubs to work on a rocket from the initial design to the finished product. Just like NASA, no one person builds every rocket. It takes teamwork.

2916. 4-H/FFA Team Rocket
2917. Open Class Team Rocket

DEPARTMENT 30 — 4-H/FFA and OPEN CLASS AG MECHANICS WELDING

1. 4-H/FFA members must be currently enrolled in the Kansas 4-H Ag Mechanics Welding project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibits must have been constructed or repaired during the current 4-H year.
3. Wheeled exhibits must utilize a braking mechanism which prevents the exhibit from freely rolling while on display.
4. Exhibitors are responsible for providing sufficient braking or “chocks” for trailer exhibits to ensure that the exhibits do not move once positioned. If using a wheel “chocking” mechanism, the two individual blocks should be connected together as a pair of chocks, so they do not become separated. At least one pair of chocks should be placed on each side of the trailer to prevent movement.
5. For trailer exhibits the tongue of the trailer should have a locking mechanism (e.g., padlock) to prevent the trailer from being moved by unauthorized individuals while being displayed. A key for the locking mechanism should be left with the office.
6. For exhibits with downward swinging parts, such as tailgates, which could pose a fall/striking/crushing hazard should have a tamper resistant locking mechanism such as a “zip-tie” or a “cotter-key” through a release pin that would prevent the swinging part from being accidentally released and falling on someone.
7. Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
8. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to inflict damage and/or harm to individuals, animal life, and/or property.
9. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires.
10. Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch.
11. If a safety violation is noted by the judges, superintendent or other staff, the exhibitor’s exhibit, at the judges’ discretion, will receive a deduction in ribbon placement or a participation ribbon.
12. Each exhibit, except for display boards, must include an Ag Mechanics Welding information packet. Entry of just a packet without the accompanying exhibit is not a sufficient exhibit.
13. Each exhibitor is required to complete the “4-H Ag Mechanics Welding Exhibit Information Form” for each exhibit, except for display boards, which is available at the Extension Office or at https://welding.engtech4ks.com/. This form must be attached to the outside of a 10” x 13” manila envelope. Do not tie the envelope to the exhibit. All revisions of all forms previously released dated prior to the current year are void for use and new forms must be obtained and uses that are dated by the State 4-H Office for the current year.

14. Each exhibitor information packet should include the following items:
   A. Bill of materials for the project with associated costs, scrap items used may be listed as having a $0.00 cost.
   B. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state.
   C. If appropriate, operating instructions.

15. A Champion ribbon may be awarded in each class, a GC and RGC may be awarded in each Level.

DIVISION 1 — 4-H/FFA WELDING
Introductory – Level 1 (about 1–3 years of experience)
This level is designed for youth with little to no exposure in the project area so that they can gain an understanding of basic principles and methods in the given area.

   3000. Welding Display Board — A 3’x3’ display board with different pieces of metal attached illustrating different types of welds, each weld being labeled
   3001. Level 1 Welding Ag Repair — Repair of ag equipment with welding
   3002. Level 1 Welding Ag Fabrication — Creation of new ag equipment with welding.
   3003. Level 1 Welding General Fabrication — Creation of non-ag equipment with welding
   3004. Level 1 Welding Artistic Fabrication — Creation of artistic or interpretive pieces with welding.
   3005. Level 1 Brazing Repair
   3006. Level 1 Brazing Fabrication
   3007. Smithing Display Board — A 3’x3’ display board with different pieces of forged metal attached illustrating different forms; each form being labeled.
   3008. Level 1 Smithing — A design forged with at least one formed element (twists or spirals for example)

Experienced — Level 2 (about 4–6 years of experience)
This level is designed for youth with some experience in the project area allowing them to expand on common principles and methods in the given area.

   3009. Level 2 Welding Ag Repair — Repair of ag equipment with welding
   3010. Level 2 Welding Ag Fabrication — Creation of new ag equipment with welding
   3011. Level 2 Welding Ag General Repair — Repair of non-ag equipment with welding
   3012. Level 2 Welding General Fabrication — Creation of non-ag equipment with welding
   3013. Level 2 Welding Artistic Fabrication — Creation of artistic or interpretive pieces with welding
   3014. Level 2 Brazing Repair
   3015. Level 2 Brazing Fabrication.
   3016. Level 2 Smithing — A design forged with at least two different formed elements (twists or spirals for example)
Advanced — Level 3 (about 7–9 years of experience)
This level is designed for youth with vast experience in the project area allowing them to master common principles and methods and expand on advanced techniques in the given area.

3017. Level 3 Welding Ag Repair — Repair of ag equipment with welding.
3018. Level 3 Welding Ag Fabrication — Creation of new ag equipment with welding
3019. Level 3 Welding Ag General Repair — Repair on non-ag equipment with welding
3020. Level 3 Welding General Fabrication — Creation of non-ag equipment with welding
3021. Level 3 Welding Artistic Fabrication — Creation of artistic or interpretive pieces with welding
3022. Level 3 Brazing Repair
3023. Level 3 Brazing Fabrication
3024. Level 1 Smithing — A design forged with at least three different formed elements (twists or spirals for example)

Master — Level 4 (10 or more years of experience)
This level is designed for youth with substantial experience in the project area allowing them to master advanced techniques in the given area.

3025. Level 4 Welding Ag Repair — Repair of ag equipment with welding
3026. Level 4 Welding Ag Fabrication — Creation of new ag equipment with welding
3027. Level 4 Welding Ag General Repair — Repair on non-ag equipment with welding
3028. Level 4 Welding General Fabrication — Creation of non-ag equipment with welding
3029. Level 4 Welding Artistic Fabrication — Creation of artistic or interpretive pieces with welding.
3030. Level 4 Brazing Repair
3031. Level 4 Brazing Fabrication
3032. Level 4 Smithing — A design forged with at least four different formed elements (twists or spirals for example)

DIVISION 2 — OPEN CLASSES
3033. Welding cart
3034. Welding table
3035. Other welded article

DEPARTMENT 31 — 4-H/FFA and OPEN CLASS ASTRONOMY
Superintendent:
1. The 4-H member must be currently enrolled in the 4-H Astronomy project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibits must have been completed during the current 4-H year.
3. Telescopes entered in this division may be built from a kit or by original design. Pre-finished telescopes, which require no construction are not acceptable entries.

3100. Telescope made from kit
3101. Telescope made from original design
DEPARTMENT 32 — 4-H/FFA and OPEN CLASS BUILDING
BLOCK ENGINEERING
Superintendent: Tom Black

1. 4-H Members must be currently enrolled in the Kansas 4-H Building Block Engineering project to exhibit in this division.
2. Each exhibitor may enter one exhibit. Exhibits must have been constructed during the current 4-H year.
3. Total exhibit dimensions may not exceed 2’ high, by 2’ wide, by 2’ deep.
4. The minimum exhibit dimensions must be at least 6” wide and deep.
5. All components used in construction should be dust and hair free, clean, free of chips, scuffs, cracks, or broken blocks.
6. Gaps or cracks should not be visible between assembled blocks unless they fit with the story, for example an earthquake.
7. The primary building component should be interlocking blocks, commonly referred to by the brand name of LEGO®.
8. Other components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks, for example marbles for small round objects.
9. The use of existing “store bought” sets for major elements of the display is not allowed, use of figurines from sets is allowed as is using individual bricks, or small sub-assemblies to create something different than the set it came from. For example, a car hood or front end from a car kit could be used in a “car museum” just not the entire car. The intent of this is to ensure fairness among exhibitors and encourage maximum creativity instead of just following a set of plans.
10. Artistic designs, for example recreating paintings like the Mona Lisa or Starry Night and statues like David, are not permitted in Building Block Engineering as exhibits and one ribbon placing should be deducted. These exhibits should be displayed in Visual Arts.
11. Dioramas should be suitably complex and have multiple elements, for example, a camp site that has a log cabin, a tree fort, and a car.
12. All dioramas should have a story, which is part of the information pack, which describes what is happening in the diorama; this can be as simple (the nursery rhyme “Jack and Jill” for example) or complex as needed to explain to someone looking at the exhibit what is happening.
13. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method.
14. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. For example, merry-go-rounds, doors, elevators, gears, marbles going down a channel, flapping wings, animatronics, etc. If included, judges should be able to use them, and instructions should be provided for operation either in the story or on a separate page.
15. Each exhibit must include an Architectural Block Construction information packet. Entry of a packet without an accompanying exhibit or an exhibit without a packet is not a sufficient exhibit.
16. Each exhibitor is required to complete the “4-H Building Block Engineering Exhibit Information Form” which is available at the Extension Office or at https/blocks.engtech4ks.com/. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit. All revisions of forms previously released for the division dated prior to the current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Offices for the current Year.

17. Each exhibit information packet should include the following items:
   A. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state. Final pictures help in determining where a part might go in case something comes loose.
   B. If appropriate operating instructions for mechanical portions of the diorama.

DIVISION 1 — 4-H/FFA BUILDING BLOCK ENGINEERING
Beginning (ages 7–8)
   3100. Interlocking brick diorama built from scratch
Intermediate (ages 9–13)
   3101. Interlocking brick diorama built from scratch
Senior (ages 14 and up)
   3102. Interlocking brick diorama built from scratch

DIVISION 2 — OPEN CLASS BUILDING BLOCK ENGINEERING
Beginning (ages 7–8)
   3103. Interlocking brick diorama built from scratch
Intermediate (ages 9–13)
   3104. Interlocking brick diorama built from scratch
Senior (ages 14 and up)
   3105. Interlocking brick diorama built from scratch

DEPARTMENT 33 — 4-H/FFA and OPEN CLASS COMPUTER SCIENCE
Superintendent:
1. Any item which IS NOT a notebook, display board, or poster displayed in this class is considered a “computer system” exhibit and MUST follow the rules set forth below.
2. The actual construction of computer hardware (i.e., building a computer, electronic devices with a motherboard-based manipulation) will remain in the Energy Management division.
3. 4-H members must be currently enrolled in the 4-H – Computer Science project to exhibit in this division.
4. Each exhibitor may enter one exhibit per class. Exhibits must have been completed during the current 4-H year.

Refer to the Kansas State Fair Rules for complete project requirements.

5590 Computer program, application, app, script, or coded system that is new and unique (not merely a file run in a program, such as a ‘word document’ or a picture drawn in ‘Microsoft Paint’).

3300. Computer presentation — (PowerPoint, web page/site, animated graphics such as gifs, etc.)
3301. **Single computer system** — (web server, database server, etc.) represented as a virtual machine.  
3302. **Networked system** — consisting of two or more virtual machines.  
3303. **Chip system** — a small (8” x 8” x 8”) programmed physical device that accomplishes a specific task.

**DEPARTMENT 34 — 4-H/FFA and OPEN CLASS ELECTRIC and RENEWABLE ENERGY**  
Superintendent: Tom Black

1. Each 4-H phase may be either original or kit assembled construction accompanied by plan, blueprint, working drawing, sketch of original construction, etc.  
2. A sheet of operating instructions must be furnished for any exhibit not self-explanatory.  
3. Indicate on entry card if exhibit is original construction or a kit.  
4. No hand-dipped solder may be used.  
5. Items that have been in use should be cleaned for exhibit.  
6. Projects (classes 3200, 3201, 3202) must be operable using only 110 or 120V AC or battery power. If battery power is required, batteries must be furnished.  
7. Any project with a complexity of size or electronics must have the following:  
   A. Instructions for assembly and use.  
   B. Equipment available at the time of judging for actual testing of the exhibit.  
8. A Champion ribbon may be awarded in each class. GC and RGC ribbons will be awarded in both junior and senior 4-H divisions.

**DIVISION 1 — 4-H/FFA ELECTRIC and RENEWABLE ENERGY**

3400. **AC Electric**: Electric projects with a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have wiring access to examine the quality and safety of workmanship.

3401. **DC Electric**: Electric projects with a battery of direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered project. Examples include: wiring two- or three-way switches, difference between series/parallel lighting circuits or wiring doorbells switches. All DC electric projects must include batteries supplied by 4-H’er. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

3402. **Electronic**: Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans for an original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.
3403. Educational Displays and Exhibits — The purpose of the educational display and exhibit is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes educational displays, exhibits for science fair type projects which DO NOT have a power source, i.e., exhibits or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays and exhibits must be legible from a distance of four feet, using a maximum tri-fold size of 3’ x 4’.

3404. Experiment — Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, a control, data, findings, conclusions, and recommendations for future study.

DIVISION 2 — ALTERNATIVE ENERGY

ALTERNATIVE ENERGY - (A form of energy derived from a natural source, such as the sun, geothermal, wind, tides, or waves.) All exhibits in this category are limited in size to standard tri-fold display boards (36” x 48”) and items may not extend beyond 12” from the back board. All displays must be self-standing.

3405. Educational Display — Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.

3406. Experiment — Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, a control, data, findings, conclusions, and recommendations for future study.

DIVISION 3 — OPEN CLASS ELECTRIC and RENEWABLE ENERGY

3407. AC Electric 3408. DC Electric 3409. Electronic
3410. Educational Displays 3411. Experiment

DEPARTMENT 35 — 4-H/FFA and OPEN CLASS ROBOTICS

Superintendent:

The Kansas 4-H Robotics program is designed to allow 4-H members to explore robotics through robots of various designs.

1. 4-H members must be currently enrolled in the Kansas 4-H Robotics project to exhibit in this division.

2. Exhibits must have been constructed and/or completed during the current 4-H year. The robot must have been selected at the county level for entry at the State Fair. Counties or districts should select only top blue or purple ribbon robot exhibits which meet State Fair guidelines.

3. Each robot must be free-standing, without the need for additional supports to be moved or exhibited. Each exhibit must include a robot information packet.

4. Robots must have automated articulated structures (arms, wheels, grippers, etc.). Game consoles that display on a screen are not considered robots and should either be entered in the computer sciences system division or energy management project. Robots
requiring no assembly, just programming, such as Ozobots, are considered computer system projects as the skill is focused on the programming not on the construction of the robot.

5. Robot dimensions should not exceed 2’ high, by 2’ wide, by 2’ deep. Weight may not exceed 15 pounds. If displayed in a case (not required or encouraged for the state fair, but strongly encouraged for county fairs) the outside case dimensions may not be more than 26 inches in height, width, or depth.

6. Materials including but not limited to obstacles, spare batteries, and Mats for testing the robot may be placed in a separate container, which is not included in the robots’ dimensions, that container may not be larger than 576 cubic inches as measured along the outside of the container (Examples: 4” x 4” x 36” or 4” x 8” x 18” or 6” x 6” x 16”). The container, if used, and/or any large objects (such as mats or obstacles) should be labeled with the exhibitor’s name(s) and county or district as they will be stored separately from the exhibit.

7. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.

8. Robots may be powered by an electrical, battery, water, air, or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to inflict damage and/or harm to individuals, animal life, and/or property.

9. Remote controlled robots are allowed under certain conditions. Provided that the robot is not drivable. Robots programmed on phones/tablets need to have a specific program created, using motion controls to move the robot are not acceptable, for example “press forward on the screen to make the robot go forward.” Robotic arms (hydraulic or electric) are allowed. A remote is allowed, provided more than a single action happens when a single button is pressed on the remote, for example “a motor spins for 3 seconds, at which point an actuator is triggered, then the motor spins for 3 more seconds.” Remote controlled cars, boats, planes and/or action figures, etc. are not allowed.

10. Each robot must be in working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete its intended task. In the event the robot uses a phone, tablet, or similar device for both programming AND control of the robot a video will be used to evaluate the working condition of the robot. It should follow the instructions provided for operation so that the judge can follow along with the provided instructions.

11. Each exhibitor is required to complete the “4-H Robotics Exhibit Information Form” which is available through your local K-State Research and Extension Office or at http://robotics.engtech4ks.com/.
12. The exhibit must include written instructions for operation (the instructions should be written as if they were to tell a grandparent or elderly person how to operate the robot), construction plans, a video, and one to five pages of project photographs. For robots that can be programmed, robot programming information must be included, this information should be placed inside the 10” x 13” manila envelope mentioned above. Robot programming information can be, but not limited to, source code, block diagrams, screen captures of the coding window, and other images that show the programming logic used. The exhibitor may enter their electronic project listed under the energy management program if the exhibitor so chooses.

13. In the event that the robot uses a device like a phone, iPad, or tablet for programming AND operation, DO NOT include the device (phone, tablet, etc.). The device’s safety cannot be insured. Instead record a video demonstrating the instructions included for your robot. It should show, setting up the robot, starting the robot, the robot executing its task, and powering off the robot, just like the instructions are written.

14. FOR COUNTY FAIRS with consultation judging, it is recommended that the video elements be waived in favor of talking with the exhibitor. Creativity, workmanship, and functionality will be strong criteria in judging the “Robot designed by Exhibitor” classes. All robots should have a purpose or intended function, examples include, but are not limited to following a line, sweeping the floor, solving a Rubix Cube, sorting colors, or climbing stairs.

15. Exhibitor’s name(s) and county or district must be tagged or labeled on the robot such as on the bottom of the robot, exhibit cards are not an acceptable form of labeling.

See the Kansas State Fair Handbook for specific requirements and rules for Educational Exhibits.

When completing entry cards, 4-H/FFA class numbers must contain a 4-digit number and a letter as follows:
A. 4-H/FFA member age 7–10
B. 4-H/FFA member age 11–13
C. 4-H/FFA member age 14 and older

DIVISION 1 — 4-H/FFA ROBOTICS

3500. Robot made from a commercial (purchased) kit (no programming, just assembly).
3501. Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
3502. Programmable robot made from a commercial (purchased) kit.
3503. Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remote-controlled device.
3504. Junk Drawer Robotics
3505. Team Robot designed and constructed by two or more 4-H project members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division is designed to encourage teamwork and cooperation among fellow 4-H members. As with many high-tech projects today, no one person designs and builds a robot alone. It takes the brainstorming, planning, problem solving, and cooperation of an entire team to complete a given robotics project.

3506. Robotics Educational Display
3507. Robotics Educational Notebook
3508. Robotics Educational Poster

DIVISION 2 — OPEN CLASS ROBOTICS
3509. Robot made from a commercial kit.
3510. Robot designed by exhibitor.
3511. Programmable robot made from a commercial kit.
3513. Team Robot
3513. Educational Display, Notebook, or Poster

DEPARTMENT 36 — 4-H/FFA and OPEN CLASS SMALL ENGINES
Superintendents: Tom Black

Through Small Engines, you will have the opportunity to educate others about what youth have learned through the project or to promote the benefits of participation in those project areas.

All exhibits should involve engines smaller than 20 horsepower for classes 3600–3602. Engine should contain no fuel in tank or carburetor. Displays are limited to 4’ wide and 4’ deep - both upright and floor displays.

1. Only those who have met the requirements of the small engine project are eligible to exhibit in this division.
2. An exhibitor may enter up to three items in this division, but only one article per class. Record all requested information and securely attach to the exhibit.
3. Items that have been in use should be cleaned for exhibit.
4. A sheet of operating instructions must be furnished for any exhibit not self-explanatory.
5. Each exhibit must have a scorecard completed and attached securely.

Kansas State Fair Quota: An exhibitor may enter up to three items in this division, but only one article per class.

When completing entry cards, 4-H/FFA class numbers must contain a 4-digit number and a letter as follows:
   A. 4-H/FFA member age 7–10
   B. 4-H/FFA member age 11–13
   C. 4-H/FFA member age 14 and older
DIVISION 1 — 4-H/FFA SMALL ENGINES

3600. Display — Exhibit a display, selecting one of the following options:
1. A display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn and garden equipment parts.
2. A display identifying and explaining the function(s) of different special tools needed for small engine work.
3. A display illustrating and providing the results of any one of the experiments that are included in the project books. No complete engines, lawn tractors, tillers, chainsaws are permitted for display. Maximum tri-fold size is 3’ x 4’.

3601. Maintenance — Exhibit a display that illustrates either:
1. Routine maintenance procedures.
2. Diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display, using a maximum tri-fold size of 3’ x 4’.

3602. Operation — Exhibit an operable small engine (no more than 20 HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine. Maximum tri-fold size is 3’ x 4’.
1. Engine should contain no fuel in the tank or carburetor. Alternative ENERGY (A form of energy derived from a natural source, such as the sun, geothermal, wind, tides, or waves).
2. All exhibits in this division are limited in size to standard, tri-fold, display boards (36” X 48”) and items may not extend beyond 12” from the back board. All displays must be self-standing.

DIVISION 2 — OPEN CLASS SMALL ENGINES

3603. Display
3604. Maintenance
3605. Operation

DEPARTMENT 37 — 4-H/FFA AND OPEN CLASS UAS — (UNCREWED AERIAL SYSTEMS, aka DRONES)
Superintendents:

Division 1 — Uncrewed Aerial System
The 4-H uncrewed aerial system or UAS project explores the world from above the trees and discovers new frontiers with UASs. UASs are commonly known as Uncrewed Aerial Vehicles (UAVs) or drones. Members explore the uses and applications of uncrewed aerial system including how UASs link to other projects such as geology, robotics, electronics, crop science, and many more.
1. The information that accompanies the UAS must be limited to the 4-H STEM Exhibit Information Form which is affixed to a 10” x 13” envelope. This Envelope should NOT be attached to the UAS. This may be downloaded from http://uas.engtech4ks.com/. Any UAS exhibit not including this completed envelope will receive an automatic participation ribbon. All revisions of forms previously released for the division dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year.
2. Each exhibit MUST include a video of the youth operating their UAS. This allows judges to get a better understanding of the exhibit and allows the youth The opportunity to fully demonstrate their exhibit. The video should be no longer than
8 minutes and should be placed on a USB drive or micro/SD card or, if desired, uploaded to YouTube as an unlisted video and a link to that video included in a file titled “VideoLink” or printed on a separate sheet of paper.

See the Kansas State Fair Handbook for specific requirements and rules for Educational Exhibits.

When completing entry cards, 4-H/FFA class numbers must contain a 4-digit number and a letter as follows:
   A. 4-H/FFA member age 7–13   B. 4-H/FFA member age 14 and older

3701. Uncrewed Aerial System designed and constructed by exhibitor — that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.

3702. Practical application of an Uncrewed Aerial System — Constructed from a commercial (purchased) kit. This includes one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

Division 2 — Educational Exhibits
   3703. Uncrewed Aerial System Educational Display
   3704. Uncrewed Aerial System Notebook
   3708. Uncrewed Aerial System Poster

DEPARTMENT 38 — 4-H/FFA AND OPEN CLASS
WOODWORKING
Superintendents: Tom Black, Austin Black

1. In 4-H classes, blueprints or plans must be included with each exhibit. The plan may be a photocopy, the actual pattern or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. In addition, include a list and cost of materials, plus amount of time spent on constructing and finishing the article. This list should include all wood, hardware, finishing supplies, etc. Any 4-H project with missing or insufficient plans will be lowered one ribbon placing.

2. In 4-H classes, plans and all other paperwork must be secured to the project. It is recommended to use a zip top plastic bag with a hole punched through it, tied with string to the exhibit.

3. Exhibits will be classified into groups according to cost of material, work involved, construction and finish.

4. In judging, consideration will be given to workmanship (including accuracy to the plan), design, choice of wood, suitability and quality of finish, and usefulness of the article.

5. A Champion ribbon may be awarded in each class. GC and RGC ribbons will be awarded in both junior and senior 4-H divisions.
Kansas State Fair Eligibility: Each exhibitor is limited to one exhibit in this division.

DIVISION 1 — 4-H/FFA WOODWORKING
3800. Article for farm or shop use
3801. Small article (bird feeder, bird house, knife rack, etc.)
3802. Repaired and refinished furniture (This class is open to 4-H members who are enrolled in either Woodworking or Interior Design and Architecture.)
3803. Lawn furniture
3804. Household furniture
3805. Other article
3806. Woodworking repair and maintenance (Articles are not to be exhibited. This class will be judged on woodworking project records accompanied by a narrative of work completed.)

DIVISION 2 — OPEN CLASS WOODWORKING
3807. Article for farm or shop use
3808. Small article (bird feeder, bird house, knife rack, etc.)
3809. Repaired and refinished furniture
3810. Lawn furniture
3811. Household furniture
3812. Other article

DEPARTMENT 39 — 4-H/FFA AND OPEN CLASS GEOLOGY
Superintendents: Pam Lucas

When completing entry cards, 4-H/FFA class numbers must contain a 4-digit number and a letter as follows:
A. 4-H/FFA member age 7–10
B. 4-H/FFA member age 11–13
C. 4-H/FFA member age 14 and older

DIVISION 1 — 4-H/FFA and OPEN CLASS 15 SPECIMENS DISPLAY
In one standard plexiglass covered box, display at least 15 different rocks, minerals, and fossils, at least one of each, collected during the current 4-H year. Fossils must be identified to the Phylum level. This class may be entered only one year.
3900. 4-H Geology, 15 specimens
3901. Open Class Geology, 15 specimens

DIVISION 2 — 4-H/FFA and OPEN CLASS 30 SPECIMENS DISPLAY
In one standard plexiglass covered box, display at least 30 different rocks, minerals, and fossils, at least five of each. 15 specimens must have been collected during the current 4-H year. Fossils must be identified to the Phylum level. This class may be entered only one year.
3902. 4-H Geology, 30 specimens
3903. Open Class Geology, 30 specimens
DIVISION 3 — 4-H/FFA and OPEN CLASS 45 SPECIMENS DISPLAY

In one or two standard plexiglass covered boxes, display at least 45 different rocks, minerals, and fossils, at least five of each. 15 specimens must have been collected during the current 4-H year. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction. (Fort Hays Limestone, not just limestone; exact species must have different formation names listed on the ID card; Composite Brachiopod from Morrill Limestone not just Brachiopod or Composita Brachiopod). Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum level. This class may be entered only one year.

3904. 4-H Geology, 45 specimens
3905. Open Class Geology, 45 specimens

DIVISION 4 — 4-H/FFA and OPEN CLASS 60 SPECIMENS DISPLAY

In one or two standard plexiglass covered boxes, display at least 60 rocks, minerals, and fossils, at least five of each. 15 specimens must have been collected during the current 4-H year. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction. (Fort Hays Limestone, not just limestone; exact species must have different formation names listed on the ID card; Composite Brachiopod from Morrill Limestone not just Brachiopod or Composita Brachiopod). Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum, Class, and Genus levels if possible.

3906. 4-H Geology, 60 specimens
3907. Open Class Geology, 60 specimens

DIVISION 5 — 4-H/FFA and OPEN CLASS ARTIFACTS/ LAPIRARY DISPLAY

Artifacts/Lapidary - In one standard plexiglass covered box, display Native American artifacts or lapidary work.

3908. 4-H Artifacts/lapidary
3909. Open Class Artifacts/lapidary

DIVISION 6 — 4-H/FFA and OPEN CLASS SPECIAL EXHIBIT DISPLAY

Special exhibit relating to everyday living or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Native American artifacts. Exhibit limited to four feet of table space.

3910. 4-H Special Exhibit
3911. Open Class Special Exhibit
DEPARTMENT 40 — 4-H SHOOTING SPORTS
Superintendents: Marilyn Giles

A. Open to all 4-H members who are enrolled in shooting sports within the current year. Must be enrolled in the specific discipline in which the 4-H member is competing.

B. Must have Certified Shooting Sports Instructor’s concurrence. Must meet standards agreed upon between the Coordinator and Instructor and communicated with project members. (Division 1 only)

C. State 4-H Shooting Sports Match Rules apply, however the County Shooting Sports Coordinator will conference with certified instructor to make changes in the shoots, such as whether or not to shoot silhouettes, specific distances based on range size, etc. Changes MUST be approved by the coordinator. (Division 1 only)

D. No “live” ammunition containing propellant or explosive powders may be used in any display. An inert substitution must be used in lieu of powder and “live” ammunition, the substitution must be clearly described on the back of the poster, display or in a notebook. (Division 2 only)

E. Exhibit topics regarding firearm care, handling, and shooting will only be accepted from Extension Units with 4-H Certified Shooting Sports Programs. (Division 2 only)

F. Exhibits will not be accepted if they are related to reloads. (Division 2 only)

G. In Division 1, 4-H members will receive ribbons, trophies, or other awards, but no premium money will be given due to governing rules and regulations. In Division 2, ribbons and premiums will be given.

See Kansas State Fair Rules for specific requirements for Division 2.

DIVISION 1 — 4-H SHOOTING SPORTS

4000. Archery
4001. BB Gun
4002. Air Rifle
4003. Rifle
4004. Shot Gun

DIVISION 2 — 4-H SHOOTING SPORTS

4005. Shooting Sports Educational Display
4006. Shooting Sports Notebook
4007. Shooting Sports Poster

Experiential/Other Classes

4008. Shooting Aid or Accessory — Any item the 4-Her makes which helps the shooter/hunter better perform their sport, examples: rifle sling, kneeling roll, arm guard, shotgun vest, target boxes, shooting stick, etc. Include your design, or plans you adapted, what the item is and used for.

4009. Storage Case — Any item the 4-Her makes with the purpose to safely hold a firearm, bow, ammunition, and/or arrows. Examples: soft sided shotgun case, quivers, firearm safe, include your design, or plans you adapted. Explain how the storage case is used.

4010. Practice Game or Activity — Invent or adapt an activity to practice or teach a project skill. Include pictures of youth playing the game, testimonials of 4-H members who played the game, what skill is being worked on, and directions for the game. Explain how you came up with the game or adapted it to fit the needs of your group members.
DEPARTMENT 41 — 4-H/FFA and OPEN CLASS WILDLIFE
Superintendent:

This project is for all youth, whether living in the city, the country, or in between. Wildlife is an important part of our state heritage and environment, ranging from buffalo to birds to fish to deer and more. In this project you will learn about wildlife behavior, habitat requirements, how wildlife species fit into nature’s scheme, how they are managed, and how they relate to people.

1. Exhibitors must comply with state and federal laws. It is illegal to possess threatened or endangered wildlife, or the feathers, nests, or eggs of nongame birds. Game birds and game animals taken legally during an open season may be used. Every wildlife on display must have a statement about how they were obtained legally. The use of live wild animals in educational exhibits is prohibited.

2. KSRE, 4-H Youth Development and the Kansas State Fair are not responsible for damage during the exhibition period.

3. Name, county or district, age and year in the project should be in a prominent location on the exhibit.

Kansas State Fair Eligibility. A member may make only one entry in display/ notebooks and one entry in experiential within this division. When completing entry cards, class numbers must contain 4-digit number and a letter as follows:

When completing entry cards, 4-H/FFA class numbers must contain a 4-digit number and a letter as follows:

   A. 4-H/FFA member age 7–10
   B. 4-H/FFA member age 11–13
   C. 4-H/FFA member age 14 and older
   D. Open Class

DIVISION 1 — 4-H/FFA WILDLIFE

4100. Notebook
   Contents pertain to some phase, results, story, or information about the wildlife project.

4101. Promotional Poster
   Must be related to something learned in the wildlife project. (Flat poster board or foam board no larger than 22” x 28”).

4102. Educational Display
   Must be directly related to the wildlife project. Maximum tri-fold size is 3’ x 4’.

Experiential/Other Classes

4103. Fish Harvesting Equipment
   Board exhibit. Display of equipment used in fish harvesting. Examples: fishing knots, hooks (with corks over ends for safety), lures. Label all items displayed. Include in your exhibit the following information: the purpose of each item, when or where each item is used.
4104. Build a Fishing Rod
A fishing rod educational exhibit may not exceed 96 inches in length. Exhibit must be mounted on a board. Include with the exhibit: Explanation of cost of materials/components and how many number of hours required for construction. Label all parts. Necessary components which must be included are grip, line guides (based on manufacturers specifications), guide wraps, and hook keeper. Reel seat needs to be aligned with guides, and guides aligned accurately down rod. Guide wraps of size A to D, nylon, or silk thread. Exhibit will be judged on workmanship, labeling of parts, information, and neatness.

4105. Casting Target
Make a casting target for exhibit and use. Target must be under 48" x 48". The bullseyes must be 2 feet, outer band must be 1 foot in diameter and can have up to 3 rings. The exhibit must be easy to store, durable, and weather resistant. Include the purpose and rules of using your casting target.

4106. Wildlife Harvesting Equipment
Board Exhibit. Display of equipment used in harvesting wildlife. Examples: expended ammunition casings (no live ammunition permitted), steel traps, hide stretchers, fleshers, etc. For displays of shotguns, rifles, or bows, use drawings or pictures. Label all items displayed: the purpose of each item, when or where it is used and personal experiences with the item.

4107. Inventing Wildlife/Fish Harvesting Equipment, Aid or Accessory
Use engineering principles to invent or adapt equipment that helps you harvest fish or wildlife. This could include wildlife calls, adapted fishing pole for shallow water, a blind, decoys, etc. Share your drawing (or adapted plans), how the equipment works, how you tested it, and the results of testing your prototype, and any adjustments you made.

4108. Tanned Hides
Exhibit of a wild animal hide properly processed by the member. If not mounted, must be in a clear clothing bag with a hanger, all field experiences, study, OR observations that relate to the exhibit.

4109. Taxidermy
Any legal fish, bird, or other wild animal properly processed by the member. No requirement as to mounting. Include the animal's name and the following: information about the exhibitor's personal field experiences, study, OR observations that relate to the exhibit.

4110. Wildlife Tracks
Board or diorama-type box exhibit. Make a display of animal tracks using Plaster-of-Paris casts. There are 3 options. For all options, include a brief description of your experiences in making the tracks so the judges better understand what you did and learned. Positive casts (impressions as they would be in nature) are preferred. Options 1-3.

1. Should show Plaster-of-Paris tracks of five or more kinds of wildlife along with a picture or illustration of each kind of animal.
2. Should show two or more Plaster-of-Paris tracks of one specific kind of wildlife and should include a picture or illustration of the animal, what the animal may eat, and what may eat the animal.
3. Should show two tracks and include the animal’s habitat needs including preferred food, shelter, water, and space in addition to picture or illustration of the animal.
4111. Wildlife Knowledge Check
Use electrical circuits, pictures, or other methods of teaching wildlife identification or other wildlife conservation or shooting sports related knowledge. Plan size and shape to fit transportation and display; maximum size 24" x 24".

4112. Houses
Make a house for wildlife. Examples: bird house (bluebird, purple martin, wood duck, kestrel, barn owl, etc.) or bat house; no insect houses. Make the house functional so that dimensions, hole size etc. are appropriate to fit the intended species’ needs. Include the following information:
1. The kinds of animal(s) for which the house is intended.
2. Where and how the house should be located for best use.
3. Any seasonal maintenance needed.
4. Any evidence of your personal observations from experiences.

3813. Feeders/Waterers
Make a bird bath or feeder. Examples: seed, suet, or nectar feeders. Squirrel feeder okay; no insect feeders. Include the following information:
1. The kinds of animal(s) for which the water/feeder is intended.
2. Where are how the water/feeder should be located for best use.
3. Any seasonal maintenance needed.
4. Any evidence of your personal observations or experiences.

DEPARTMENT 42 — 4-H/FFA and OPEN CLASS AGRONOMY
Superintendents: Karen Kumberg, Carla Boyd

1. Exhibits will be judged according to the Kansas State University Exhibiting Handbook. Exhibits will be judged 50% on quality, 30% on uniformity of size, shape, and color, and 20% on adapted varieties.
2. **Crop entries must be identified by hybrid or variety name.**
3. Superintendents may divide miscellaneous entries into separate classes for judging purposes.
4. Exhibits must be grown by the exhibitors.
5. Grains must be grown in the last available season. Wheat must be cleaned, and variety must be named.
6. Exhibits not picked up by 6:00 p.m. Saturday will be discarded or given away.
7. A Champion ribbon may be awarded in each class. 4-H GC and RGC ribbons may be awarded in each division.

DIVISION 1 — FIELD CROPS

4200. 4-H Grain
A. Wheat, all recommended varieties, 1 gallon
B. Field corn, any variety, 5 ears, husks removed
C. Sunflower seeds, any variety, 1 gallon
D. Soybeans, any variety, 1 gallon
E. Alfalfa, any variety, 1 gallon
F. Canola, 1 gallon
G. Sorghum, hybrid, 5 stalks

4201. 4-H Other crops
A. Sorghum-Forage standard or hybrid (5 stalks)
B. Sunflower head, any variety (1 head)
C. Cotton (1 plant)
D. Alfalfa hay (1 flake or slice)
DIVISION 2 — OPEN CLASS

4202. Open Class Grain
A. Alfalfa, 1 gal.
B. Barley, spring, 1 gal.
C. Barley, winter, 1 gal.
D. Canola, 1 gal.
E. Corn, field — 5 ears, husks removed
F. Corn, sweet — 5 ears
G. Oats, any variety, 1 gal.
H. Soybeans, any variety, 1 gal.
I. Sunflower seeds, 1 gal.
J. Wheat, screened or hand-picked, 1 gal.

4203. Open Class Other Crops
A. Cotton, 1 plant,
B. Hybrid forage sorghum, 5 stalks
C. Standard forage sorghum, 5 stalks
D. Sunflower, 1 head
E. Alfalfa hay, 1 flake or slice

DEPARTMENT 43 — 4-H/FFA and OPEN ENTOMOLOGY
Superintendents: Pam Lucas, Aaron Lucas

1. All entries should be submitted in an 18 x 24 x 3.5-inch wooden display box with a clear plastic top (such as plexiglass). Boxes can be handmade or purchased as long as they are of the correct size.

2. Orders and Family names should follow the taxonomy either
   A. As printed in “Insects in Kansas” book OR

3. Each exhibitor is required to identify each box with two identification labels bearing the Exhibitor’s name, county or district, the collection class 4-Her is enrolled in and statement of taxonomy used:
   A. “Insects in Kansas” book OR
   B. “Insects in Kansas: 2016 Revised Taxonomy”, which follows www.bugguide.net.

   One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so the box can be displayed lengthwise.

4. The number of orders, specimens (and families where required) must be included on both of the exhibitor’s box identification labels. Only adult specimens can be used in collection boxes; however, one female and one male of a species correctly identified can be displayed.

5. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Arrangements that run lengthwise of the box are frequently downgraded in judging. Specimens are to be arranged by Order in the box, then Family where required. The sequence arrangement of the Orders in the box will be left up to the member. It is suggested to put the Lepidoptera and Coleoptera in the center of the collection (for Intermediate and Advanced Classes to put these two orders in a box). Then work the other orders around them.
6. For each collection class, two labels will be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date/locality. Full county name and state abbreviation on the second label are encouraged for 2016 and will be required by 2019. Collector’s name on the date/locality label is optional.

7. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Other specimens from the United States may be included as long as they are properly labeled and placed in a separate section of the box labeled “Out of State Insects.” These specimens will not be included in the count for judging/scoring. Emphasis in judging will be placed on the overall variety of insects represented in the collection, accuracy of identification, skill and technique acquired in mounting of specimens, and overall arrangement and appearance of the collection.

8. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.

9. Specimens of soft bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.

DIVISION 1— 4-H/FFA and OPEN CLASS ENTOMOLOGY COLLECTION

Introductory Entomology 1, Collection
For Ages 7-9. Collection: 6 orders, 15-30 specimens. Specimens should be grouped according to order. Order labels should be pinned to the bottom of the box, with dates and county collected and common name. These collections are to be exhibited in a small cardboard or plastic boxes (1 or 2 boxes with a total display area no more than 130 square inches.) Boxes can be homemade by placing a layer of polystyrene foam in the bottom of a shoebox, school box, or storage container or can be purchased from a biological supply company. For the exhibit, the boxes should be covered with a piece of plastic wrap or acrylic glass taped across the top of the box. This is not eligible to enter at the State Fair.

4300. 4-H Introductory Entomology

Beginning Entomology 1, Collection
Display in one standard box a minimum of 50, maximum of 125 species representing at least 7 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

4301. 4-H Beginning Entomology 1
4302. Open class Beginning Entomology 1
Beginning Entomology 2, Collection
Display in one standard box a minimum of 75 and maximum of 150 species representing at least 9 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the KSF, whichever comes first.

4303. 4-H Beginning Entomology 2
4303. Open Class Beginning Entomology 2

Intermediate Entomology, Collection
Display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for collections. In addition, family identification is required for all insects in any two of the following six orders: (only two will be counted for judging)
1. “Insects in Kansas” book —Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera OR
3. Members can exhibit in this class a maximum of 3 years. A 4-H’er may move up if they receive a purple ribbon.

4304. 4-H Intermediate Entomology
4305. Open Class Intermediate Entomology

Advanced Entomology, Collection
Display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Follow the general guidelines listed for Collections. Family identification is required for all insects belonging to the six basic orders outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper list what you did to improve your collection during the current year. Examples: what insects did you add or replace; what orders and/or families you added; what Leadership you provided in this project; and/or what insects you have studied. Attach paper to the back of one of the display boxes. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible for 4-H membership.

4306. 4-H Advanced Entomology
4307. Open Class Advanced Entomology
DIVISION 2- 4-H/FFA and OPEN CLASS ENTOMOLOGY NOTEBOOK

Individual entries are to be placed for display in a 3-ring notebook for competition.

1. During the transition, Orders and Family names should follow the taxonomy either:
   A. as printed in “Insects in Kansas” book OR
   B. as printed in “Insects in Kansas Book: 2016 Revised Taxonomy, which follows www.bugguide.net. Project members are encouraged to progress towards option B by 2019 or as revised “Insects in Kansas” book is available.

2. 4-Hers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology notebooks, not the introductory phase.

3. Each exhibitor is required to identify the notebook by placing the Title Page in the front of the notebook bearing the exhibitors name, county or district and class 4-Her is enrolled in and statement of taxonomy used:
   A. “Insects in Kansas” book OR
   B. “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows www.bugguide.net The number of orders, specimens and families (required in Intermediate and Advanced classes) must also be included on the Title Page.

4. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate the identified insect should be used.

5. Date, common name, full county name and state abbreviation should be included for each species. Collector's name on the specimen page is optional.

6. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.

7. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly encouraged.

8. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page as well as the front of the divider page.

9. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider.

10. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page in the front of the notebook.

11. A special project must be completed each year and included in the notebook. See project guideline materials for specifications.
Introductory Entomology Notebook
Display a minimum of 10 and a maximum of 30 insect species representing at least 6 different orders. Follow the general guidelines listed for Notebooks, including the Special project. A 4-H member may exhibit in this class for a maximum of two years.

4308. 4-H Introductory Entomology Notebook
4309. Open Class Introductory Entomology Notebook

Beginning Entomology 1, Notebook
Display a minimum of 20 and a maximum of 60 insect species representing at least seven different orders. Follow the general guidelines listed for Notebooks, including the Special project. A 4-Her may exhibit in this class for a maximum of three years.

4310. 4-H Beginning 1 Entomology Collection Notebook
4311. Open Class Beginning 1 Entomology Notebook

Intermediate Entomology, Notebook
Display a minimum of 60 and a maximum of 100 species representing at least 9 orders. Follow the general guidelines listed for Notebooks, including the Special project. In addition, family identification is required for all insects in any two of the following six orders (Only two will be counted for judging)
1. “Insects in Kansas” book—Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera OR
2. “Insects in Kansas: 2016 Revised Taxonomy” which follows 
   www.bugguide.net—Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera
3. Members can exhibit in this class for a maximum of 3 years. A 4-H’er may move up if they receive a purple ribbon.

4312. 4-H Intermediate Entomology Collection Notebook
4313. Open Class Intermediate Entomology Collection Notebook

Advanced Entomology, Notebook
1. Display a minimum of 100 and a maximum of 200 species representing at least twelve orders. Follow the general rules listed for Notebooks, including the Special Project. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained.
2. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

4314. 4-H Advanced Entomology Notebook
4315. Open Class Advanced Entomology Notebook
DIVISION 3 — 4-H/FFA and OPEN CLASS ENTOMOLOGY EDUCATIONAL DISPLAY

General Guidelines:
1. All entries should be submitted in an 18 x 24 x 3.5-inch wooden display box with a clear plastic top (such as plexiglass). Boxes can be handmade or purchased as long as they are of the correct size. Arrange display in the box so the box can be displayed lengthwise.
2. Each exhibitor is required to identify each box by placing two identification labels bearing the exhibitor’s name, county or district and the class in the box. One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Information on numbers and kinds of insects is not needed for educational exhibits.
3. Displays may consist of specialized groups of insects or their close relatives, or relate to any aspect of their behavior, biology, or ecology.
4. Displays should be presented in a clear, concise, and interesting manner.
5. Displays should include only work performed during the current year.
6. Title of the exhibit should be indicated inside the box.
7. The purpose of the project is to learn more about the importance, life cycles, biology, ecology, diversity, etc. of insects and related arthropods. Subject matter can be as varied as the animals themselves.
8. Creativity is encouraged!

Beginning Educational Display
Class for individuals that are exhibiting in the Beginning 1 and 2 Collection or Beginning Notebook Classes. If only exhibiting in this category, then ages 7–12. Follow the general rules listed for the educational displays.

4316. 4-H Beginning Entomology Educational Display
4317. Open Class Beginning Entomology Educational Display

Intermediate Educational Display
Class for individuals that are exhibiting in the Intermediate Collection or Intermediate Notebook Classes. If only exhibiting in this category, then ages 11–14.

4318. 4-H Intermediate Educational Display
4319. Open Class Intermediate Educational Display

Advanced Educational Display
Class for individuals that are exhibiting in the Advanced Collection or Advanced Notebook Classes. If only exhibiting in this category, then ages 13 and older. Follow the general rules listed for the educational displays.

4320. 4-H Advanced Educational Display
4321. Open Class Advanced Educational Display
Monarch Butterfly Educational Display
1. Exhibits should teach the public about the Monarch Butterfly and/or ways to protect and conserve it. The information could show nectar sources for adult butterflies and food sources for caterpillars, Monarch tagging activities, collection of native milkweed and the packaging it to give to others to plant, a group working together to plant a Monarch friendly garden, etc.
2. 4-Hers may create a poster, notebook, standard size tri-fold diorama, slide show or other visual display that shows information on Monarch Butterflies.

4322. 4-H Monarch Butterfly Educational Display
4323. Open Class Monarch Butterfly Display

DEPARTMENT 44 — 4-H/FFA and OPEN CLASS FORESTRY
Superintendents: Pam Lucas, Aaron Lucas

1. Specimens must be mounted on heavy stock paper and placed in loose leaf binder.
2. Binder must be divided into two sections: Native Kansas Trees and Non-Native Trees.
3. Exhibit a complete leaf when possible. When the leaf is too large, exhibit as many terminal portions as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion comes from.
4. A Champion ribbon may be awarded in each class. 4-H GC and RGC ribbons may be awarded in the division.

DIVISION 1 — 4-H/FFA and OPEN CLASS FORESTRY
Beginning Forestry 1
Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. May include non-native leaves in addition.
4400. 4-H Beginning Forestry 1
4401. Open Class Beginning Forestry 1

Beginning Forestry 2
Exhibit a minimum of 5 native Kansas trees showing leaf, twig and fruit from each species collected.
4402. 4-H Beginning Forestry 2
4403. Open Class Beginning Forestry 2

Intermediate Forestry 1
Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. May include non-native leaves in addition.
4404. 4-H Intermediate Forestry 1
4405. Open Class Intermediate Forestry 1

Intermediate Forestry 2
Exhibit a minimum of 10 native Kansas trees showing leaf, twig and fruit from each species collected. Must include 5 new leaf, twig, and fruit specimens.
4406. 4-H Intermediate Forestry 2
4407. Open Class Intermediate Forestry 2
Senior Forestry 1
Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. May include non-native leaves in addition.
4408. 4-H Senior Forestry 1
4409. Open Class Senior Forestry 1

Senior Forestry 2
Exhibit a minimum of 15 native Kansas trees showing leaf, twig and fruit from each species collected. Must include 5 new leaf, twig, and fruit specimens.
4410. 4-H Senior Forestry 2
4411. Open Class Senior Forestry 2

Advanced Forestry 1
Exhibit a minimum of 40 different leaves, including 20 new specimens, from native Kansas trees. May include non-native leaves in addition.
4412. 4-H Advanced Forestry 1
4413. Open Class Advanced Forestry 1

Advanced Forestry 2
Exhibit a minimum of 20 native Kansas trees showing leaf, twig and fruit from each species collected. Must include 10 new leaf, twig, and fruit specimens.
4414. 4-H Advanced Forestry 2
4415. Open Class Advanced Forestry 2

DIVISION 2 — 4-H/FFA and OPEN CLASS TREES

How a Tree Grows
Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study OR a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut OR exhibit an illustration of how a tree grows.
4416. 4-H How a Tree Grows
4417. Open Class How a Tree Grows

Tree Appreciation
Entry may include a research or reporting notebook with no more than 10 pages based on the exhibitor’s selected tree. This notebook may include sketches, drawings, pictures, a story, or any other documents which tell about the selected tree.
4418. 4-H Tree Appreciation
4419. Open Class Tree Appreciation

Growing and Protecting Trees
Project notebook telling about the project with pictures before, during and after plant seedlings.
4420. 4-H Growing/Protecting Trees
4421. Open Class
Tree Culture
Project notebook showing project work and including pictures of before, during and after woodlot improvements.
4422. 4-H Tree Culture
4423. Open Class Tree Culture

How Forests Serve Us
Display of collected wood samples and 500-word essay. Wood sample display to be mounted on poster board or any stiff mounting material no larger than 2’ by 3’. Essay must be displayed in a covered binder.
4424. 4-H How Forests Serve Us
4425. Open Class How Forests Serve Us

Forestry Educational/Creative Exhibit
Notebook, poster, collection box, etc. must be directly related to tree identification or Forestry. Maximum size 2’ x 3’.
4426. 4-H Educational/Creative Exhibit
4427. Open Class Educational/Creative Exhibit

DEPARTMENT 45 — 4-H/FFA and OPEN CLASS HORTICULTURE and LANDSCAPE DESIGN

PRODUCE EXHIBITS
Superintendents: Karen Kumberg, Carla Boyd

1. Exhibits will be judged according to K-State Research and Extension Exhibiting Fruits and Vegetables.
2. The quantity of specimens to exhibit is listed within each class. Exhibits will be judged on quality and uniformity of size, shape, and color.
3. Superintendents may divide miscellaneous entries into separate classes for judging purposes.
4. Exhibits must be grown by the exhibitors.
5. Potatoes may be gently washed without scratches on the skin.
6. Onions should be clean with outside skin intact. DO NOT PEEL.
7. Tomatoes and cherry tomatoes should be displayed without stems.
8. Paper plates will be furnished by the Fair Association.
9. Exhibits not picked up by 7:00 p.m. Saturday will be discarded or given away.
10. A Champion ribbon may be awarded in each class. 4-H GC and RGC ribbons may be awarded in each division.

Kansas State Fair Eligibility: An exhibitor earning a purple ribbon at their county/district fair on an out-of-season vegetable/fruit/herb (ex. Early peas) may substitute another vegetable/fruit/herb (ex. Pumpkin) in its place at the State Fair. Quota – Up to 4 total produce (vegetables, fruit and/or herb) entries per exhibitor; Up to 4 total floral exhibits per exhibitor; 1 Notebook exhibit per exhibitor.
DIVISION 1 — 4-H/FFA PRODUCE EXHIBITS

4500. Potatoes, 5 specimens
   A. White  B. Red  C. Sweet

4501. Tomatoes, 5 specimens
   A. Tomatoes  B. Cherry tomatoes

4502. Beans, green or wax, 5 specimens

4503. Okra, 5 specimens

4504. Root crops, 5 specimens
   A. Onions  C. Carrots
   B. Beets  D. Other

4505. Cucumbers, 5 specimens

4506. Peppers, 5 specimens
   A. Anaheim  D. Habanero  G. Any other hot
   B. Banana  E. Jalapeno
   C. Cayenne  F. Mango or bell

4507. Vine crops
   A. Cantaloupe  C. Squash  E. Zucchini
   B. Pumpkin  D. Watermelon  F. All others

4508. Herbs, 6 stems
   Comparable quantity, must be exhibited in a disposable container of water.

4509. Garden Display
   1 or more specimens of 6 or more DIFFERENT vegetables.

4510. Home grown novelty exhibit

4511. Miscellaneous — All other vegetables not listed.

DIVISION 2 — OPEN CLASS PRODUCE EXHIBITS

4512. Potatoes, 5 specimens
   A. White  B. Red  C. Sweet

4513. Tomatoes, 5 specimens
   A. Tomatoes  B. Cherry tomatoes

4514. Beans, green or wax, 5 specimens

4515. Okra, 5 specimens

4516. Root crops, 5 specimens
   A. Onions  C. Carrots
   B. Beets  D. Other

4517. Cucumbers, 5 specimens

4518. Peppers, 5 specimens
   A. Anaheim  D. Habanero  G. Any other hot
   B. Banana  E. Jalapeno
   C. Cayenne  F. Mango or bell

4519. Miniature pumpkins, 5 specimens

4520. Cabbage

4521. Vine crops
   A. Cantaloupe  C. Squash  E. Zucchini
   B. Pumpkin  D. Watermelon  F. All others

4522. Largest Vegetable
   A. Largest cucumber  D. Largest tomato  G. Other
   B. Largest potato  E. Largest watermelon
   C. Largest pumpkin  F. Largest zucchini

4523. Herbs
   A. 6 specimens, single variety exhibited in a disposable container of water.
   B. 1 or 2 specimens each of 3 different herbs exhibited in a disposable container of water.
4524. Home grown novelty exhibit
4525. Garden display — 1 or more specimens of 6 or more DIFFERENT vegetables.
4526. Miscellaneous — All other vegetables not listed.

FLORAL EXHIBITS
Superintendents: Diana Hemphill, Pratt Master Gardeners
Exhibits will be judged according to the Kansas State University Exhibiting Handbook. Exhibits will be judged 50% on quality, 30% on uniformity of size, shape, and color, and 20% on adapted varieties.
1. Show open to any amateur wishing to exhibit. An amateur is someone who does not accept money for growing plants.
2. Entries must be identified by hybrid or variety name.
3. Superintendents may divide miscellaneous entries into separate classes for judging purposes.
4. Exhibits must be grown by the exhibitor except sunflowers and wildflowers.
5. Exhibits not picked up by 7:00 p.m. Saturday will be discarded or given away.
6. Fresh flowers are exhibited unless otherwise specified.
7. Divisions 4 and 5 will be judged for horticultural perfection.
8. Division 3 and Container Garden will be judged for color, harmony, container, and artistic arrangement of flowers.
9. Exhibitors must furnish their own containers for bouquets and arrangements.

Kraisinger/Clarkson-Frisbie Service Award

Since 1976, the Pratt County Fair Association has recognized volunteers who have gone above and beyond in helping make the Pratt County Fair a success. This award helps acknowledge the hard work that goes on behind the scenes. Steve Kraisinger and Jean Clarkson-Frisbie were two influential Pratt County Extension Agents who helped shape the Pratt County Fair over the years. Their influence has reached generations of 4-Hers, and this award is a great honor.
