

Pratt County Fair Market Wheat Show

The Pratt County Fair Board, along with the Extension Ag. PDC, will be conducting a county-wide Market Wheat Show at the 2025 Pratt County Fair. Producer participation in this event is strictly voluntary. If a producer wishes to enter, just inform the scale operator at the participating elevator. Samples will be collected right off the truck as it comes across the scales. Participating grain elevators and sponsors of the show are **Skyland Grain, LLC; Farmers Co-op Equity; Kanza Co-op and The Scoular Company**. Branches of these elevators will be included in this collection process.

The sample will be tagged with the producer's name, address, and variety on it. All producers that are entered will be sent a postage-paid envelope with a Crop Data Card following harvest. Simply fill out the agronomic information section of the card and drop it in the mail. If this is done prior to July 4th, you will be entered into the Market Wheat Show.

All the wheat entries will be judged by the Kansas Grain Inspection Service prior to the County Fair and displayed at the Fair. The area elevators are the sponsors for this year's show.

A listing of Market Wheat Show criteria is as follows:

1. Crop Data Cards are to be mailed to the Extension Office prior to July 4th. No cards or entries will be accepted after this date due to revised judging procedures.

Market Wheat Show Special Elevator Division

The Pratt County Fair Association will sponsor the “Special Elevator Division” this year. The criteria for this award are as follows:

Purpose: *To increase public and farmer awareness of the excellent quality of winter wheat produced in Pratt County; creates a spirit of competition among elevator managers; and to reward and recognize our grain elevators for their fine services provided to their farm customers.*

General Rules:

1. Elevator sites are encouraged to collect samples of high-quality combine run wheat.
2. Market wheat samples collected by Pratt County elevators will be entered in the producer’s name at the County Fair.
3. Special Elevator Division samples must be clearly identified by writing the elevator company name and site on the tag included in the sample bag.
4. The elevator collecting the highest number of placing samples will determine which elevator site and its manager will be recognized with the special award.

The special award is a traveling plaque to be displayed by the winning elevator and will list the producer’s name, variety, year, and name of the elevator submitting the sample. Sponsored by Pratt County Fair Association, this award will be presented during the County Fair.
